

April 2022(1) Lake 2 Lake Miata Club Newsletter. Bushnell Motorsports Park Meeting & GoKarts 4.1.22 By Guest Author

The Lake2Lake Miata club started the month of April with sweaty palms, shaking hands, tight helmets, 10HP Honda powered GoKarts and a meeting. Bushnell Motorsports Park was a very clean, professionally run, safe place. This was on our club bucket list and provided our participating members a racing experience to remember. It was also senior day which meant a discounted rate. YES! Afterwards we went to Howie's restaurant for a family style meal and the Friday fish Fry special. The service and food were excellent! Next to driving a Miata, this was fun!
