

February 2022(2) Lake 2 Lake Miata Club Newsletter Northeast Florida Scottish Highland Games & Festival 2.26.22 By Guest Author

Dinnae teach yer Granny tae suck eggs! was the saying of the moment for the busy Lake2Lake Miata Club. We all got up early, put on our Kilts, stopped for coffee, and breakfast sandwiches, got GAS before the prices increased and readied for a drive to Green Cove Springs to the 2022 Northeast Florida Scottish Highland Games & Festival.

With his car radio in hand, we were led by Mike & Suki 'McKarash' on a spirited drive through the backroads to Clay County Fair Grounds and free parking. The event was well attended, with competitions in sheep herding, Clahneart or "Stone of Strangth" (16 lbs. Stone), 22lbs Lbs. Hammer Throw, 28 Lbs. Weight Toss, 56 Lbs. Weight Throw, 56Lbs. Wright Toss for Height, and everyone's favorite the Caber Toss.

Dancing, food, Celtic rock bands(Albannach) and Marching bagpipers made the day very unique and one to keep on the calendar for next year!

Lang may yer lum reek!
