

March 2022(1) Lake 2 Lake Miata Club Newsletter Car-B-Que for a Cause Fundraiser Belleview, Fl 3.5.22 By Guest Author

It was a bright and sunny day in Belleview. The Miatas were all shined up, the donuts were so good and the Car-B-Que for a cause car show was well attended. Held at the Garden Worship Center, we had special parking and were given a tour of their animal sanctuary which included a camel, goats, pig, and Gracie the Llama. While we didn't win any awards, we helped raised money for this worthwhile event. See you next year.
