

November 2021 Lake 2 Lake Miata Club Newsletter Cars & Cool Cats Show 11.20.21 By Nancy Ball

Lake-2-Lake Miata Club members drove into the country Saturday for a three-ring circus of events:

- * a very well diversified CAR SHOW featuring vintage to modern cars (and trucks!) in multiples of most for our pleasurable inspection.
- * a CAT SHOW starring Maximus, an 800 lb. “pet” tiger, housed in a commodious network of room-like enclosures including a swimming pool for fun and exercise as well as a bedroom full of stuffed animals.
- * a network of vendors displaying arts, crafts and - yes - fudge!

Entry fees for people and vehicles were all part of an annual charitable donation to “EARS”, large cat rescue of which Maximus was the on-location representative.

A good time was had by all. Congratulations to Ron E. from our club who took home “Best import “award for the show.
