RESPECTFULLY URGENT

RE: DEMAND FOR LOCATION OF MY PROPERTY CONTAINED WITHIN RENTAL UNIT 410 (775 KING STREET WEST, TORONTO) SINCE SEPTEMBER 20, 2024

Dear Ms. Patel:

I am writing in relation to the HRT0 Proceeding. While I appreciate that communications are intended to be copied to other parties, I do note that if any parties can resolve matters independently, they are encouraged to do so. Hence, this email demand which is meant for those purposes.

In this vein, would you kindly inform me on behalf of your client, the “Landlord” of Rental Unit 410 and “Registered Owner” of Rental Unit 410, as to where my property, as of September 20, 2024, has been and currently is?

I ask because I have come to learn some information that some or all of that property contained in Rental Unit 410 as of September 20, 2024, may be with the 52nd Division of the TPS. In this vein, I have noted that the “Detective Abdul” who visited me in the jail cell quadrant of the 14th Division was NOT from the 14th Division but the 52nd Division. His full name is Detective Abdulhameed K. Virani and he has a variety of public articles and cases involving himself wherein he is, inter alia, referred to “Abdul” but not his full name.

I can further confirm that there is a “Non-Detective” but ‘Detective Constable’ by the name of Police Officer Mr. Waqas Abdul. However, he was lower in rank and seniority to another Detective Constable in DC Michael Roman Kolankowski. As such, it became odd to me that he, Constable Romano, and Sergeant Cassidy (at least the first and third police officers) would wait for a “Detective” to come visit me before determining if I could be released.

I have also noted, with some level of somewhat embarrassment, that my Form 2 from the TPS 14th Division did NOT have a ‘case file number’. As such, the investigation into another division perhaps being in possession of my property came to bear – at least by inquiry. As such, I have much in the way of important property to me from the date of September 20, 2024, and I require a location for its pickup. Presuming the way in which your client has been over the years that I have known her, which is not meant pejoratively per se, and in light of a Toronto Police Service Property Bag from the night of the arrest not referencing ‘found, received, or seized’ but Constable Romano representing to me that it was received, the most reasonable inference is that it was transported from the 52nd Division to the TPS 14th Division. I say so because it was after obtaining the very order that your client could not at the LTB, I relied on what was represented to me by Officer Javier Solermo on September 21, 2024, that the TPS could assist in obtaining such property.

I would presume that if my property was inside Rental Unit 410 on October 1 or 2, 2024, that such a ‘receipt of some of the property contained therein’ would not have happened without particulars of the same. I also note that your client did not respond to my request for the same but they somehow appeared from an unknown location.

I can also confirm that I have since learned that one Mr. Papadimitropoulos (Andrew), the ex-husband of your client's daughter, was in part responsible for some of the unauthorized conduct after theft of my property on October 25, 2024, from CAMH. I confirm that I am obviously distinguishing between the property in the Rental Unit 410 on September 20, 2024, and that of October 25, 2024.

While I have no respect for that individual, he may be smarter than I gave him credit for and he was tipping me to who was behind some of the conduct involving me. Of particular note, he referenced, on two occasions, in utilizing my TPL library card, without consent the following: (i) the Aga Khan Museum (by way of reserving a free visit to that museum in November 2024; and (ii) then on December 13, 2024, at the TPL Reference Library (in the 52nd Division jurisdiction) changing my phone number with the TPL to that of Ms. Valerie Oulette (CBC news reporter who investigates police corruption). Obviously, no police officer would engage in the same and I can confirm, in the spirit of good faith and to avoid any unnecessary posturing, that CAMH and TPL both confirmed that none of the unauthorized conduct involved any police officers or any undercover police officers (plains clothes ones). Moreover, they certainly confirmed that none were known to them (i.e. the 14th Division). There is no dispute that Mr. Papadimitropoulos had his hands involved in the conduct post October 25, 2024, but there is some indication (as far as I can go) that he was under some form of duress.

The reference to the Aga Khan museum (naturally with its ties to Ismaili Muslims with its late leader in the Aga Khan himself) by Mr. Papadimitropoulos, along with the countless books he took out in my name with implicit or subliminal type messages, was an interesting one with hindsight. As I have learned that the names of 'Abdulhameed' and 'Virani' are common names associated with 'Ismailis'. I believe our former Attorney General of Canada Mr. Arif Virani is an example of a practicing Ismaili Muslim. Again, I appreciate a lot of depth and breadth here but solely for the above and to assist in our client answering my request.

To demonstrate my good faith, I have attached a copy of my motion record in *R. v. McLean*, with bookmarking and hyperlinking contained therein albeit a 'working copy' so you can see some of the documents which I am referring to if you have not seen them yet. I will of course provide a copy of the same to all other parties in the HRTO Proceeding once I finalize the same.

As I need some of the property, particularly some of my materials in the five inch binders, on an urgent basis, kindly advise me of where my property is being currently held and whether it has been disclosed to other persons, including any police divisions, and on which dates.

I confirm that I have not abandoned any of the property within Rental Unit 410 as of September 20, 2024.

I have attached two other documents to provide some assistance in the same spirit as above.

If my property has remained (as of September 20, 2024) and still remains in Rental Unit 410, kindly confirm the same.

Thank you kindly.

Yours truly,

Mr. Kevin A. McLean (B.A. (MCL), J.D., CIM) (he/him)

April 27, 2025

Dear Ms. Patel:

I will be away for most of the week due to medical assessments and procedures. I have not received a response from you denying your client's involvement in the theft of my property on October 25, 2024, nor its location as of September 20, 2024. I must now seek relief regarding

this matter.

Detective Richard Petrie from the 52nd Division was responsible for the theft, with Court Officer Ms. Chrystin Frugoni-Rojas involved. Mrs. Frugoni-Rojas swore fraudulent information supporting an arrest warrant on September 23, 2024. Your client's other lawyer, Ms. Kanavas, was in contact with Mrs. Frugoni-Rojas, indicating your client's misconduct. This adverse treatment considered my disabilities as a factor or my disabilities were a factor in the adverse treatment. I must now to amend my pleadings accordingly in relation to the same with those particulars.

As of currently, I note the following including the following but not limited to:

- a. Ms. Frugoni-Rojas is formerly Ms. Boulton;
 - i. Her husband is that of TTC Operator Mr. Jorge Frugoni-Rojas;
- b. Justice of the Peace George Jiri ("JP Jiri") is formerly of the 52nd Division;
- c. JP Jiri is assigned to Brampton (not Toronto);
- d. Ms. Frugoni-Rojas was formerly a soccer player at Seneca in 2001-2002;
- e. JP Jiri completed the Police Foundations course at Seneca in 2001-2002;
- f. The Purported Complainant's mother (Mrs. Aphrodite Artopoulos) was a professor at Seneca until on or around 2019;
 - i. Her lawyer and that of the Purported Complainant's lawyer was Ms. Niki Kanavas who taught at Seneca until 2023;
- g. The information sworn by Ms. Frugoni-Rojas is not worth any evidentiary value in the favour of the Crown but it is for me considering the sworn date of the alleged singular communication (see: Sunday, September 22, 2024);
- h. The JP should have never endorsed that arrest warrant and it should have never been brought to his attention;
- i. Constable Romano knew the same and hence the False Pretense Email;
- j. DC Kolankowski knew the same as well and he never warned me (the "Fictitious Warning" or "DC Kolankowski False Representation Warning") ;
- k. TPS 14th Division could not input a police file number or case file number as it emanated from the 52nd Division;
- l. Detective Abdulhameed Virani is of the 52nd Division. He is the "Detective Abdul" that met in the jail cell on October 2, 2024;
- m. One of the Deputy Crowns at the MAG Criminal Law Division ("MAG CLD"), Toronto office of 10 Armoury Road, Toronto, Ontario (the "MAG CLD Toronto Office") is that of, low and behold, one Ms. Megan Elizabeth Petrie ("Deputy Crown Petrie"). It appears that she is the sibling, cousin, family member or spouse of Deputy Richard Petrie. However, I am awaiting her confirmation as to what is the relation between all of them.

As I attempted to resolve the same with you, as permissible by the HRTTO Specific Rules, separately but without a response, with the inference is obvious. Moreover, I will include the same in a Declaration #9 so all have copies of the same. Unlike your client, I will provide her with the opportunity to face the requested amended pleading which will require the addition of various parties by motion.

I presume that this was the **‘army of people’** that were coming to get me that Ms. Nicole Artopoulos represented to me that her mother had coming for me. That representation was made some six months or so prior to the Unlawful Lockouts. As a personal musing, it is the problem with an ‘army of people’ that are engaged in unlawful conduct because they are all turning on each other now. It is why I always like, by personal musing yet again, to be an ‘army of one’ because if you do it the right way, like I did (as evidenced by the fraud of Ms. Kanavas, Court Officer Frugoni-Rojas, Detective Petrie, Detective Adbul (Virani), the Impugned Officers et al), then

As per my being away, as my next appointment is in the morning at five a.m., this week will allow your client to attempt to mitigate some of the damage she has caused where my disabilities were a factor in the adverse treatment she levelled at me. The timing could not be more ironic because the theft occurred on October 25, 2024, and it was on October 24, 2025, that your client was served via registered mail with the HRTTO Application. Moreover, it is presumed by delivery via regular mail that the TPS and TPS Respondents were served with my HRTTO Application. They certainly moved most quickly.

As I have said to most other persons, not named herein, I am not sure whether I should be flattered or disgusted by this type of adverse treatment involving my disabilities as a factor.

As you can see from the overt racism of your client against all persons with disabilities and protected characteristics, she had everyone else do her ‘dirty work’ but the issue herein as it relates to her is whether her adverse treatment in the area of accommodation, factored in my disabilities. I now allege that she engaged in intentional discrimination.

Thank you and have a great start to your week. You will receive my auto-reply until about Thursday so kindly excuse any delay in my response.
