

Office of Malchizedek

November 14, 2024

To: Joseph Biden (C.E.O.)
The White House
1600 Pennsylvania Ave NW
Washington, DC 20500

Dear Joseph Biden - Mr President,

The Nation is made up of many different nations in their separate state(s) of Being, and the spiritual Children of Israel otherwise called Rastafari is One amongst them.

Due to the ongoing hostilities the sovereign and People of the State [of Jah] did not cast their vote in support of any of the two leading candidates or parties, but claim/choose their own independent candidate to re-present them as Independent state-Us since the Constitution is threatened, and/or shelved in various ways, and different counties & districts are now at liberty with the color of Law.

Let the nations who choose to remain at ease, blind, ignorant, asleep in the face of tranny, war, treason and piracy etc., or they being perpetrated upon innocent people, even by the said nations, also remain in debt (spelt death) for ever as the living cycles thru eternity in the state of prosperity as Promised in the heavenly kingdom (Rev. 3:12).

Sincerely,

Zedek

Jah Ras Malchizedek - High Priest
