

Nurses & Neighbors Collaborative

LUNCH WITH A PURPOSE

Support nurse-led Health & Mobility initiatives to improve access to preventive care, transportation by expanding ride options, and provide hands-on mobility support in the community.

Food and diapers will be collected to support the Community Resource Center in Rehoboth Beach and the Rural Maternal Health Project.

EVENT HIGHLIGHTS

In collaboration with Delaware 250, this luncheon will celebrate America's 250th birthday.

Our past and present independence relies on mobility. By safeguarding mobility today, we also secure our independence for the future.
