

HAYVN, LLC – EMPLOYER PILOT PACKET (1-PAGE OVERVIEW)

Build a Financial Safety Net for Your Workforce

Our Mission

Hayvn, LLC empowers employers to protect their workforce and reduce turnover by offering instant-access emergency savings — no loans, no credit checks, no paperwork. We help you create a culture of stability, loyalty, and productivity.

How the Pilot Program Works

1. **Enroll as a Pilot Employer.** Join our 90-day pilot to test Hayvn with your workforce.
2. **Onboard Employees Effortlessly.** We provide all setup materials and digital enrollment support.
3. **Track Results.** Receive anonymized reporting on engagement, retention, and usage metrics.
4. **Decide What’s Next.** Continue, expand, or customize your program after the pilot period.

Why Employers Join the Hayvn Pilot

Employer Benefit	Real Impact
Reduced Turnover	Financially stable employees are 2x more likely to stay.
Higher Productivity	Less financial stress means better focus and attendance.
Low Cost	Pilot is free; future pricing well below turnover replacement costs.
Positive Culture	Boosts morale and positions your company as an employer of choice.
