

# HAYVN, LLC – PARTNER PACKET (1-PAGE OVERVIEW)

*Building the Modern Safety Net for the American Workforce*

## Our Mission

Hayvn, LLC helps employers, banks, and payroll providers deliver real financial stability to working Americans — through instant-access emergency savings that prevent stress, debt, and turnover. Our goal is simple: replace financial fear with financial confidence.

## Who We Partner With

### ■ Employers

Bring your team a zero-debt safety net. Offer Hayvn as an easy, voluntary benefit that improves retention, focus, and morale.

- No setup fees during pilot
- FDIC-insured accounts
- Proven engagement boost in pilot studies

### ■ Banking Institutions

Join us in powering the new workplace savings infrastructure. We partner exclusively with U.S.-based, FDIC-insured institutions for custodial accounts and payment rails.

- 100% U.S. deposits
- No crypto or offshore exposure
- Transparent, compliant partnership model

### ■ Payroll & HR Systems

Integrate Hayvn as an embedded benefit. Enable automatic paycheck splits, employee onboarding, and instant withdrawals.

- Plug-in API integration
- Low lift, high adoption
- Co-branded marketing support

### ■ Community & Affiliate Partners

HR firms, financial advisors, and benefits consultants can join our referral and reseller network.

- Revenue-share opportunities
- Early access to pilot analytics
- Dedicated partner portal (coming 2026)

## Why Partner with Hayvn

| Value     | Description                                                 |
|-----------|-------------------------------------------------------------|
| Trust     | Fully U.S.-based operations with FDIC-insured partner banks |
| Impact    | Increases employee retention and productivity               |
| Ease      | Seamless implementation with payroll & banking systems      |
| Alignment | No lending, no debt, no credit traps — ever                 |

## Our Commitment

- All funds remain in FDIC-insured accounts
- End-to-end encryption and data compliance (GLBA/CCPA)
- Transparent pilot reporting for all partners
- Non-affiliation with any digital-asset or crypto company

## Partner With Us

Be part of a national movement to restore financial confidence to working families.
