

Eugene Victor Moore Jr.
July 15, 1932 – November 11, 2023

SAN DIEGO-- Vic moved to San Diego as a child, where he attended La Jolla High School. He proudly served in the US Army during the Korean war, and he followed that with a successful 35 year career with Pac-Bell. Following the death of his first wife, Vic helped found a social group called Widows or Widowers (WOW) where he met his second wife, Kathleen. For over 20 years they enjoyed traveling, playing golf, and participating in the lives of Kathy's children and grandchildren. He was a simple, competent, and strong man who was a positive force in the lives he touched. May 2024 he will be laid to rest at sea with Kathleen. Vic is survived by his stepchildren: Scott Hoff, Lee Hoff, Treycie (Doug) Haigh, Todd (Dayna) Hoff , half sister Dianna Huszar, and nephew Phillip (Jennifer) Huszar.
