### **Our Volunteers behind the Chutes**

Volunteer members of the Bit & Spur Riding Club have kept our 4<sup>th</sup> of July RODEO tradition going strong now for 70 years. However, Rodeo fans don't often see those who "work behind the chutes" and they deserve recognition.

In 1945, volunteers produced the first Bit & Spur Rodeo at Legion Park in Settlement canyon. A few years later, volunteers built the Tooele Bit & Spur Rodeo Grounds and today, volunteers continue to maintain and operate this historic landmark.

Our volunteers share a common goal; to ensure our efforts have a positive impact on our Club, our community, businesses and residents alike.
