We had a roaring PARTY at the FFF!

4/3/26

1) First Friday: A total success for the triple F (First First Friday) !!!!! Somewhere around 30 to 35 people attended, and it was non-stop, constantly changing small groups of neighbors visiting old friends (damn, gotta be careful how I'm phrasing that one.... ;), new friends, new and long-term connections. Really a great kick-off to our social season (apparently April through maybe November-ish?).

If you are new to the neighborhood and/or newsletter: Welcome! If you are new to the First Friday, super glad you could make it! And if you haven't walked on down and done one of these yet, no problem! They happen every first Friday of every beach-habitable month of the year. Mark your calendars and put in your monthly reminder now for the next ones. There are truly a lot of good humans in the hood, and it is well-known science these days that social community is one of the most important things we can do for ourselves to ensure a longer, healthier, and generally fun time on the planet!
