## **London City Stay and Private Iceland Shore Excursions**

Depart June 26, 2025

\$4,087.00 per person

Including round trip air from Newark, and all departure taxes and surcharges

### **Pre-Cruise Itinerary:**

**JUNE 26 - USA / LONDON:** Fly transatlantic overnight from the USA to London, England. Dinner is served, and in-flight entertainment is provided.

**JUNE 27 - ARRIVE LONDON:** Arrival in London, meet with your local guide and shortly afterwards depart on a half-day sightseeing tour of London. Visit the Tower of London, where the Beefeaters guard the dazzling Crown Jewels, and where you will gain excellent views of Tower Bridge from the Medieval Palace. Afterwards, check in to your London hotel and enjoy some free time to relax. This evening, enjoy dinner in your hotel. (D)

**JUNE 28 - LONDON:** Enjoy breakfast before departing on a full day of sightseeing in London. Your tour will take you past landmarks such as Elizabeth Tower (Big Ben), Houses of Parliament, Buckingham Palace, The Shard, and others. Watch the Changing the Guard at Buckingham Palace, a striking display of British pageantry, when the New Guard takes over from the Old Guard. Visit Westminster Abbey. A UNESCO World Heritage site, with a legacy dating back more than 1,000 years, Westminster Abbey is among London's most historic landmarks. The Gothic church is best known for hosting headline-grabbing events involving the British royal family, such as the Queen's coronation, Princess Diana's funeral, and Prince William and Kate Middleton's wedding. Enjoy lunch in a local pub in London. Finish your day aboard the iconic London Eye where you will enjoy incredible views of London. Return to your hotel and enjoy your evening at leisure in London. (B/L)

**JUNE 29 - TRANSFER TO DOVER PORT:** After breakfast, transfer to Dover port where you embark on your cruise. (B)

### **Private Group Shore Excursions:**

**JULY 4 - LAKE MYVATAN & GODAFOSS WATERFALL:** Your guide will meet the group at the cruise port upon disembarkation. Discover the magical wonderland of Lake Mývatn and Goðafoss waterfall with an experienced local tour guide. We set off from Akureyri with a stunning drive along Eyjafjörður to Goðafoss waterfall. After some time to enjoy and take images of this scenic waterfall, your tour then heads to the famous Lake Mývatn.

The tour stops at all the top attractions of Lake Mývatn, including the lake, Skútustaðagígar pseudocraters, Námaskarð geothermal field, Mid-Atlantic ridge at Grjótagjá rift, Námafjall mountain, and Dimmuborgir lava formations. You'll also visit filming locations from the *Game of Thrones* television series and *Star Wars*. The tour also visits the Mývatn Nature Baths where you have the option to bathe in the azure geothermal waters (entrance not included, but we can add this at booking time.)

Buffet lunch is included, with 2 glasses of wine or beer per person.

**Includes:** Transport by luxury coach, private English-speaking guide, and buffet lunch with 2 glasses of wine or beer.

**JULY 6 - GOLDEN CIRCLE:** Your guide will meet the group at the cruise port upon disembarkation. This Golden Circle day tour includes the most popular natural wonders of Iceland: Þingvellir National Park, Gullfoss waterfall and Geysir

geothermal area. During this excursion you will discover Iceland's interesting geological history with a walk in Þingvellir National Park, a UNESCO World Heritage since 2004. Located in a rift valley where the Eurasian and North American tectonic plates meet, Þingvellir is also the site of the world's oldest democratic parliament, founded in 930 A.D. Continue your experience with a visit to the famous Geysir geothermal area and its bubbling springs and hot mud pots. The most active geyser of the area is Strokkur, erupting up to 30 m (98 feet) high every 7-10 minutes. Strokkur is surrounded by many other small and interesting bubbling geysers and mud pots. Only a few minutes' drive from Geysir is Gullfoss, the Golden Waterfall, one of the most impressive waterfalls in Europe. Thousands of tons of water from a glacial river thunder down into a canyon from two different levels of ledges. One ledge is 11m (36 feet) high, and the other is 21 m (69 feet). During this tour there will be a stop at Kerið, a red volcanic crater more than 3000 years old. Inside the crater there is a lake with unique colors. Buffet lunch included today at Geysir. The tour ends back at the pier in the late afternoon.

**Includes:** Transport by luxury coach, private English-speaking guide, and buffet lunch with 2 glasses of wine or beer.
