\*Fun Days at sea- There are always lots of fun activities on board... or just lay back on a deck chair and do nothing at all! With pristine pools and poolside food and beverages at your fingertips, what more could you ask for in a vacation to get away from it all!?

This exciting cruise to the Eastern Caribbean is sure to be the perfect getaway-- full of sun and fun! Great entertainment and delicious cuisine! It's hard to find a more beautiful vacation destination than the Eastern Caribbean.

- Nassau- Capital of the Bahamas has beautiful beaches great for snorkeling right off the waters edge. Downtown Nassau is famous for their unique shops. Tours include swimming with dolphins!
- Half Moon Cay- This island is a little off the typical cruise path but isn't a complete mystery — Half Moon Cay was just named Best Private Island by *Porthole Cruise Magazine*... for the 20th straight year! Play in turquoise seas, sign up for tours (additional fee) and go on a horseback ride on powdery white sand or a fun kayaking adventure, or breathtaking snorkeling, by boat.
- Grand Turk- of Turks & Caicos islands, may be small but it's packed with scenic punch, historic charm and is a truly enchanted island.
