Nursing Admissions Essay

- What are the qualities and characteristics necessary for the nursing profession and do you possess those qualities/characteristics?
- What is your reason for pursuing the nursing degree. Be clear in your response.
- According to the World Health Organisation, 74% of deaths in The Bahamas in 2016 were caused by Non-Communicable Diseases (NCDs) like diabetes and cancer. This amounted to 1800 deaths in 2016. As a nurse what risk behaviours would you identify to your patients to avoid and why (eg alcohol, tobacco, diet, physical inactivity etc)?
