We are an authorized dealer of leading manufacturers and pride ourselves in supplying major brands and providing unbeatable service to Sultanate of Oman.

Uncompromising  
customer service &  
quality

## Who We Are

Medsmart Dental & Medical Supplies is a young and upcoming organisation dedicated to becoming a market leader in the implementation of the latest technologies and treatments in health care sector.

We are headquartered in the capital city of Muscat at Al- Khuwair, with direct coverage across the entire geography of Sultanate of Oman.

We import and market healthcare- medical, dental & physiotherapy equipments, instruments and consumables for hospitals, medical centers, polyclinics and all health care institutions. We serve both public and private sector healthcare institutions in Sultanate of Oman.

We provide complete service in the dental & physiotherapy field, helping our customers to experience the right products including turn-key solutions / clinic set-ups.

We endeavor to constantly expand our portfolio of products and areas of activities.

Our promoters background includes more than 10 years of experience in Oman healthcare market with a strong network and intimate understanding of market and trends.

We offer to process and deliver customer orders within 1 working day or less. We have a massive storage space including temperature-controlled zone.

We have a robust network of leading private and public hospitals in Oman and Omani key opinion leaders (doctors). We have close working relationships with leading nursing homes, corporate hospitals, medical clinics, dental clinics and also cater to industrial & oilfield companies for their healthcare needs.
