

FORM 2 FASHION

Safety Rules

Name: _____ Date: _____

Please follow each of these rules when working with the Sewing Machine.

Always follow instructions

Tell your teacher if an emergency arises.

Only use tools for their intended purpose.

Listen for your teacher to say, "Times up, Hands up!"

Keep your work area clean at all times and clean up after yourself.

Only one person at a machine at a time.

Don't play with the machine, or with someone's project while he or she is sewing.

Only sew together your assigned fabric.

Measure twice and cut once.

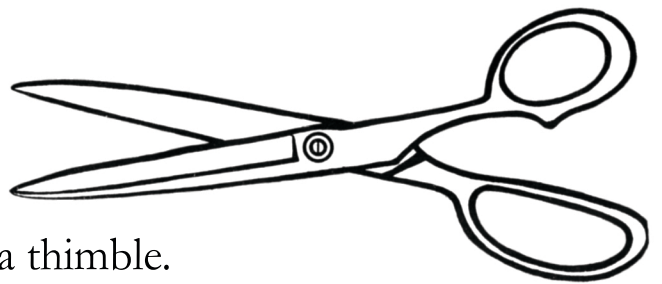

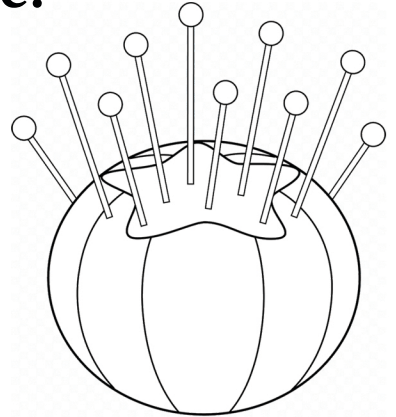

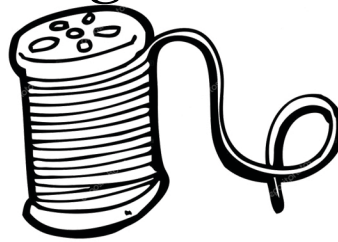

Pass sharp objects handle first.

If sewing by hand protect your finger - use a thimble.

Place all pins and needles in a pin cushion.

Sew at a slow speed and keep fingers away from the needle.

Move the pedal slowly and guide the fabric.

I _____ agree to follow

ALL of the Sewing Safty Rules
