Tradition Two: For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.

1. Do I criticize or do I trust and support my group officers, AA committees, and office workers? Newcomers? Old-timers?
2. Am I absolutely trustworthy, even in secret, with AA Twelfth Step jobs or other AA responsibility?
3. Do I look for credit in my AA jobs? Praise for my AA ideas?
4. Do I have to save face in group discussion, or can I yield in good spirit to the group conscience and work cheerfully along with it?
5. Although I have been sober a few years, am I still willing to serve my turn at AA chores?
6. In group discussions, do I sound off about matters on which I have no experience and little knowledge?

Concept II: The General Service Conference of A.A. has become, for nearly every practical purpose, the active voice and the effective conscience of our whole

Society in its world affairs.

- Do we have an understanding of the history of the General Service Conference (the “Conference”)?
- What is a Conference Advisory Action? Does our home group’s GSR, DCM, area delegate report back to the group on the highlights of the Conference and Conference Advisory Actions?
- Is our group meeting its wider Seventh Tradition responsibilities?

4. Alt DCM Report: Vacant

5. Intergroup Report: Kathryn B.

Doing well, needs more contributions. Has had more participation. Proposed doing workshop, more info to come in future. Going to PRAASA. Suggests we start inviting people personally to help fill open positions.

6. DCM Report: Bob F.

PRAASA is this weekend. I've volunteered for a couple different positions over there. Committee meeting the week after PRASSA, expect to get an inventory worksheet or topics for the Conference. To get this out to as many groups as possible, ask that we try to get email or contact information to any groups that we may not have information for. Inform the Delegate assembly in April, so we need to get the information from the groups, being to district, and take to this assembly. Roundup coming up, website up with new date and cost. Jim discusses that it may be helpful for Bob to write a column in GIS to help us fill vacant positions. Discouraged that we do not have an alt DCM.

Any other Information: Requested a new translation of the AA Big Book begin in Yapese learning about the Chain of Fellowship.

The following three documents were shared by Pearl at our meeting:

The GSR Preamble

We are the General Service Representatives.

We are the link in the chain of communication for our groups with the General Service Conference and the world of A.A.

We realize the ultimate authority is a loving God as he may express Himself in our Group Conscience.

As trusted servants, our job is to bring information to our groups in order that they can reach an informed group conscience.

In passing along this group conscience, we are helping to maintain the unity and strength so vital to our fellowship.

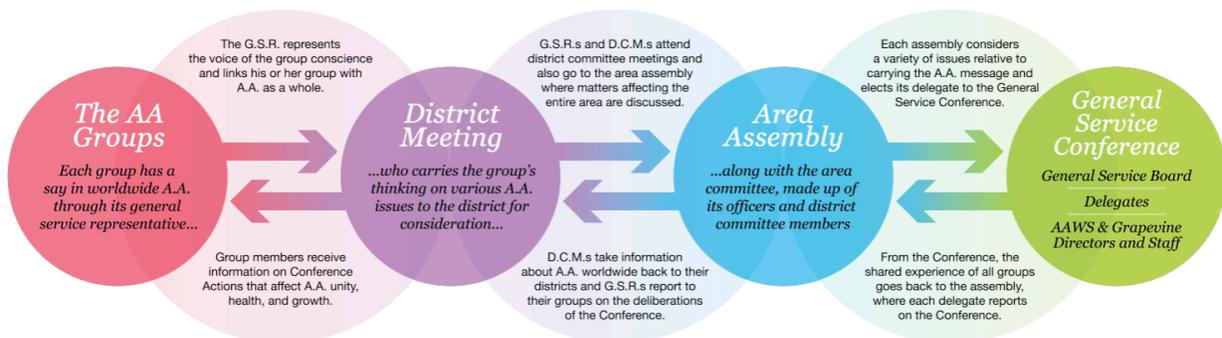

Let us, therefore,

Have the patience and tolerance to listen while others share,

The courage to speak up when we have something to share,

And

The wisdom to do what is right for our group and A.A. as a whole.

The last document is the 2025 Final report of the General Service Conference and is hundreds of pages long, available upon request.

Reaching out to elderly people on Kaua'i. My committee has been connecting through the County of Kaua'i, office of Elderly Affairs. As you may know we gave an introduction to Alcoholics Anonymous presentation, and they are providing a large rack at their office that my committee has supplied with AA literature. We were invited to re supply the rack and also we offered to give a more indepth presentation to try to encourage an ongoing cooperation between AA and Office of Elderly Affairs AA can offer much as another resource tool and some elderly individuals may be suffering from the disease of Alcoholism. Their office is a direct link to the elderly on Kaua'i in many locations and in many different capacities. I am planning on a continuation of nourishing this relationship with the hope it will continue to flourish. I'll need to order more literature next month.

Also, GSR's please ask if any one from your group would like to serve as a committee member with C.E.C.

- **Cooperation with the Professional Community (CPC):**

My report for the month is a little different from the last . There is a possible training date coming up, still waiting for the exact time and place. There have been some changes regarding working one on one with inmates regarding step work. There is a process that is being tested out. I'm also attending PRASSA next week for new ideas for the year. . Looking forward to having a report full of helpful ways to bring the message to alcoholics incarcerated. I'm also looking forward to getting more people trained this year male and female. Please contact me by email with names of whoever is interested in service bringing in the message into KCCC. Thank you so much for allowing me to represent District 6 AREA 17 as Correction Chair at PRASSA. It's an honor. Planning on attending the next meeting with a full report from PRASSA.

Looking forward to seeing anyone else from the District.
