True and intense taste

The full range of Fabbri syrups and pulps are ideal to add flavour to iced teas and granitas but can also be used for aperitives, long drinks and cocktails.

VIRGIN TIKI

*Great classics,
ZERO alcohol*

Thanks to their special recipe, Fabbri Syrups and Pulps offer unique taste and consistence even in the alcohol-free preparations, leaving intact the taste experiences of the real Mojito, of the Caipiroska and of the Cuba Libre as well.

AMARENA
TIKI

A real icon of style

Amarena Fabbri is a real concentration of taste in the universe of blended drinking. Its famous **Opaline jar** is the timeless witness of a real chic service!

Perfect combination

Give a new twist to classic cocktails: Marendry, a unique combination of Amarena and liqueur, a soft velvet thanks to Aria & Velluto, the simple but perfect garnish of Amarena.

10 good reasons for choosing Fabbri

Made in Italy

Year after year, the Italian food and beverages are being confirmed as the best in the world. The production of all Fabbri products takes place in Italy, in the factory of Anzola dell'Emilia (Bologna). The syrups No.1 in Italy* *IRI Market Data, Apr 2017

Quality since 1905

More than 110 years of experience in selecting and producing the best ingredients, not only for Amarena and syrups but also for ice cream and pastry-making.

Meticulous formulations for distinctive and unique sensory profile

A Research and Development team of over 20 passionate experts to give intensity and persistence, unique colour and texture: the «Italian DNA».

High content of fruit juice and pulp

Up to 100% of fruit in the strawberry puree.

Natural flavourings. Free of artificial colourings

A continuous research for a high presence of natural ingredients, for both flavourings and colours, while maintaining high standard of conservation.

Preservative free

No use of preservatives in syrups and gourmet sauces.

High yield

From 10% to 30% of less amount in the use of syrups, puree and gourmet sauces*.

*Compared with main competitors

Certifications, lifestyles, consumer needs

A continuous and dedicated attention to food allergies, sensitivity, culture and traditions of each individual: Lactose free, Gluten free, Vegan Products, Halal Italy, Kosher (Star-K, Star-D), ISO 9001, BRC food, IFS food.

Sustainability

A constant investment to safeguarding the environment: thanks to the use of PET syrup bottles are 100% recyclable and unbreakable. This results in a reduction of packaging material and lower fuel consumption levels for the transport (-30% of CO2 compared to glass).

Innovation

Attention and commitment in supporting professionals by providing quality solutions for their business, helping them achieve their goals.
