

New Programs and Events

What are we working on?

WSNA is always working to bring new and exciting events to the WSCC! Whether it's fun barbecues and parties, educational opportunities, or activities to keep kids busy and engaged, we strive to offer something for everyone. Read on to learn more about some of the upcoming events we are most excited about!

WOR-WIC GED PROGRAM

Ready to earn your high school diploma? The WestSide Neighborhood Alliance and Wor-Wic Community College are partnering to bring GED/NEDP prep classes to the Center. Classes will begin on September 21 and will be held every Monday and Thursday in the classroom. If you wish to enroll in this program, please attend one of our GED intake days taking place on August 8 from 11:00 AM to 3:00 PM or August 17 from 6:00 PM to 8:00 PM.

We will provide the instructor, space, technology, tools, and expert guidance you need to succeed!

YOUTH SOCCER

This summer and fall, soccer is coming to the Community Center and Cedar Hill!

WSNA has begun holding indoor youth soccer in the gym every Thursday at 6:00 PM. Ultimately, we'd like to get enough kids interested in the sport to launch a team this fall at Cedar Hill Park to compete with other teams in the area. If you know any local kids who love sports, bring them down! Please visit our website to register your child today!

FOOD BANK

On May 15th, the Food Bank returned to the West Side at a new location: the West Side Community Center!

Now, a Food Bank truck will be on-site, welcoming residents to come inside and select the food they need. Dates will be posted on our marquee.

A big thank you to Loralie Parks for her hard work in making this happen and to the Maryland Food Bank!
