COMMUNITY MEETING **WATERSHED-BASED PLAN FOR THE LOWER NANTICOKE RIVER**

Stakeholders, landowners, community members, local organizations, and anyone interested in the health of the Lower Nanticoke watershed are encouraged to attend.

We need your local expertise to pinpoint areas with pollution, erosion, and flooding! Completion of this plan will help us identify and seek funding for projects important to you and the local community. Come learn about the planning process, share your perspectives, and help shape the future of our local waterways.
