## Cheryl Reinstadler's Chicken Enchilada Roll Ups

Yield: About 80 roll-ups

Prep Time: 15 minutes

Chill Time: 30 minutes

Total Time: 45 minutes

### Ingredients

- 2 (8 oz) packages cream cheese, softened
- 1½ cups shredded Mexican cheese
- 2 tablespoons Old El Paso Taco Seasoning
- 2 cups shredded cooked chicken (rotisserie chicken works great)
- 1 (10 oz) can diced tomatoes with green chilies (Rotel), well drained
- 1 teaspoon minced garlic
- 4 green onions, sliced
- ½ cup chopped cilantro
- 8 burrito-size flour tortillas

Cheryl's Pro Tip: Chop up the Chicken so it mixes easier

### Instructions

1. In a large bowl, combine the cream cheese, Mexican cheese, taco seasoning, chicken, diced tomatoes with green chilies, garlic, green onions, and cilantro until well blended.
2. Spread about ½ cup of the mixture evenly over the entire surface of each tortilla.
3. Roll each tortilla up tightly. Repeat with the remaining tortillas.
4. Refrigerate for at least 30 minutes. (If you chill them longer, they'll be even easier to slice.)
5. Using a serrated knife, cut each roll into ½-inch slices to prevent crushing.
6. Arrange on a serving platter and enjoy!

## **Because It's Not All About the Horsepower**

**Our Resident TWINS!!**

### **☀ "Did You Know?"**

A Corvette can have over 1,000 individual parts, but it only takes one great group of friends to make every drive memorable. ❤️

**🦀 Fun Fact:** Crabs can walk sideways, but Corvettes definitely prefer the straightaways!

**Age is just a number... horsepower is what really counts.**

### **🚩 Corvette Trivia**

What was the only exterior color available on the first Corvette?

- A. Torch Red
- B. Polo White
- C. Black
