

THE POWER
OF
Planning

THIS BOOK BELONGS TO:

THE POWER

OF

Planning

Life, work, love, family and purpose. Keeping it all in focus is the daily goal. I have always been inspired to understand highly successful people who impact the world and empower others like my grandmother Marcie Booker, Michelle Obama, Oprah, Beyoncé and the list goes on.

The power of planning will help you create meaningful life habits by focusing on goal setting, weekly reflections, daily affirmations, monthly budgeting, and fitness. I am proud to share this 90 day focused planner that will undoubtedly align time management and life balance.

I hope you enjoy.
