

After a successful fall program, the Board of Directors has voted to host Lake and Trails fishing camp as a one day program for attendees without a group overnight stay. In order to allow for social distancing and provide a great experience this means some children will attend on Friday and others will attend on Saturday, as two one day camps are necessary. The registration form below will walk you through confirming attendance for the correct day for your child/children. Here is an overview of what to expect:

- 1st and 3rd year event date is Friday, April 30
- 2nd and 4th year event is Saturday, May 1
- 7:30am – 8:30 Check In
- 8:30 am - 6:30 pm program
- All classes will be outside with lots of fishing
- There will be no 5th year Rod Making this year all 5th year attendees are encouraged to register as Youth Assistant Instructors
- Attendees will be divided into small groups for safety and more fishing time
- A boxed lunch will be the only provided food, please plan accordingly
- All state and local health and safety guidelines will be followed
- A mask and hand sanitizer will be provided for each child and sponsor
- All program participants must leave at the end of the day, no one is permitted to stay overnight
- There will be a maximum attendance of 36 children per year
- Cost will be \$30 per child* and \$30 per adult ***Because of generous donations from supporting clubs the fee for your child has been covered this year with a scholarship.**
- Registration begins March 1, 2021.
- The adult fee of \$30 is required at the time of registration to secure a spot in the program.
- Youth Assistant Instructor opportunities are available for each day

We realize these changes may result in more driving time for parents who have children attending on both Friday and Saturday and are committed to making sure the effort is worth your while. Expect a full day of activities and fun in the outdoors. If you have questions about fishing camp please contact me by email at joe@lakeandtrails.org. If you have questions about Registration please email Meghan at Registration@lakeandtrails.org.

Kind Regards,

Joe Lukcso
