

THE CHARGE IS THIS

It is fitting that we mark history by the coming of the Saviour to earth. We do this as we count the years since His arrival, but also in advent celebrations which reach their crescendo on Christmas Day. Our celebration is never an excuse for indulging in the very sins that Christ came to free us from. But the celebration should also not be seen as a distraction in our battle against the sins, sorrows, and thorns that infest our world. Rather, we celebrate with vigour because our sins are forgiven. Our consciences are clean. We have inherited eternal life. Our celebration fills us with gladness as we lay siege of the darkness. Too often we justify laziness and self-indulgence by telling ourselves ‘it’s the holidays’. Christmas is not a permission slip for sin; it’s a feast that invigorates us, one of the blessings that flow out as far as the curse is found.

The Love Candle, also known as the Angel's Candle, symbolizes God's love revealed in Christ. Purple reminds us once more of the royalty of Christ and the love that motivated God's plan for salvation. John 3:16-19

We practice Covenant Renewal Worship.

Call to Worship: God calls His people out of the world to gather in worship of Him.

Confession: God reminds us of our duty to Him and forgives us where we have sinned.

Consecration: God trains us for holiness and service through instruction by His Word.

Communion: God feeds us in order to strengthen us as we go back out into the world.

Commissioning: God gives us our mission as we depart.

At Trinity, we believe children are a gift from God, and we encourage families to see the importance of training them in the worship service. It is an opportunity to learn the songs, vocabulary, and rhythm of worship from young on.
