

THE CHARGE IS THIS

Do you want to share in the blood of the prophets? Do you want their blood coursing through your veins, and spilling out in self-sacrifice? Every man, woman, and child must somehow partake in this martyr's blood, either as the sons of the prophets, or as the sons of their murderers. We will be implicated in the blood of the prophets one way or another. We either join as sons whose fathers shed the blood of the prophets, or we become sons of the prophets themselves, but it is blood either way. The one path continues to lead to destruction, as it always has. The other leads to both present and future glory, as we enjoy union with the One who has the final word; who filled the fountain with His blood, that all who partake lose all their guilty stains.

Advent Reading

JOY - Our joy continues to increase, like the shepherds, as Christ's birth draws nigh. We light the SHEPHERD candle, which is pink, the liturgical colour for joy. (Isaiah 65:18)

We practice Covenant Renewal Worship.

Call to Worship: God calls His people out of the world to gather in worship of Him.

Confession: God reminds us of our duty to Him and forgives us where we have sinned.

Consecration: God trains us for holiness and service through instruction by His Word.

Communion: God feeds us in order to strengthen us as we go back out into the world.

Commissioning: God gives us our mission as we depart.

At Trinity, we believe children are a gift from God, and we encourage families to see the importance of training them in the worship service. It is an opportunity to learn the songs, vocabulary, and rhythm of worship from young on. We do have a nursery room for those times when these little ones become especially upset and their parents need to temporarily remove them from the worship service.
