

# PAINTBOX BLOOMS

## DIY Weddings

### CREATE YOUR OWN UNQIUE WEDDING DECOR

Paintbox Blooms offers a DIY and A La Carte wedding flower service.

Everyone has different needs so you can easily tailor your wedding flowers by choosing from bridal bouquets, to buttonholes, vases and flower filled arranger buckets of flowers.

How it works:

You decide what you need for your wedding. Take a look at the list below to guide you. A booking form including signed Ts and Cs and 10% of the final total will need to be transferred to secure your wedding flowers.

Flowers are typically collection only from East Chase Farm approx 24-48 hours before the wedding. In some special cases of large orders I can deliver to your home address or venue for an extra charge.

Guidance of how to care for your flowers are given to each customer.

DIY Wedding service is only available between April and October.

## ALLIE'S SEPTEMBER BLUE AND WHITE WEDDING

Allie and Tom's wedding was at the beginning of September. The ceremony was held at Compton Verney and the reception at Wildflower Events Field at East Chase Farm, next to the field where I grow my flowers.

Allie asked for 1 medium sized bouquet, 1 buttonhole and 3 buckets of flowers in a blue and white theme.

Each Bride's bouquet comes in a vase and box. Bridesmaid, button holes etc are packaged in jars and boxes. Please note bouquets and buttonholes are tied with twine only. You will need to purchase your own ribbon to tie on yourself if you wish.

With Allie's DIY buckets of flowers she made approx 30 bud vases plus there was enough flowers for one small jar arrangement next to the welcome table.

Bud vases can easily be bought online. Approx 3-4 stems is enough to fill 1 bud vase.

# DIY Ideas

April Wedding

Peach, coral, white and lavender theme.

August Wedding

The bride grew her own flowers. A bridal bouquet, bridesmaid bouquets and buttonholes were made to match her home grown bright colour palette.

Want just the buckets of flowers?

Just buckets of flowers for weddings can be ordered too.

Left: October earthy, rich toned wedding.

Right: July soft pastel theme.

# Bouquet Sizes

August Brights

Large bouquet with posy and boutonhole

Spring Pastels

Large bouquet with posy and boutonhole

September Pop of Blue

Medium bouquet

July Pastels

Medium bouquet

August Pinks and Burgundy

Large Bouquet

# Why Choose Us?

All my flowers are grown with care and love without the use of chemicals. Each bouquet and arrangement is unique to the customer, carefully hand crafted with nature's beauty at the heart of every arrangement.

Locally grown, seasonal blooms capture a moment in time. No season is quite the same, giving a variety of flowers from week to week, making your wedding flowers completely unique.

Follow me on Instagram and Facebook to literally watch your flowers grow. I document how they start from a small seed and bloom into a beautifully scented flower. This also gives you an idea of varieties of flowers and when they most likely available.

Sustainability is an important ethos of Paintbox Blooms. No chemicals, no air miles, just flowers.

If you would like to discuss colour schemes further then you can book a face to face colour consultation at an extra cost. Please see services below.

There are two different services:

'Growers Choice' The client is to choose one of the following colour schemes: Soft Pastels, Bold Brights and Simple White. The floral selection will be 'grower's choice' and is a selection of what is looking great and in peak condition for cutting at the time of your event. You can be more a little more specific e.g blue and white (see images above). There is no additional cost to this service. Just drop me an email or phone call for a chat. You do need to know your colour scheme before contacting. I can then advise you on availability.

'Consultation Colour Service' The floral selection that will be in season at Paintbox Blooms is discussed together at my studio and I will take you on a tour of the flower field. I will share with you colour schemes and flowers plus what will be in peak season for the time of your event. Please note I cannot guarantee a particular type of flower due to growing outside. This service comes at an additional charge of £30 for an hour session.

You can speak to me in person on Fridays at my studio at East Chase Farm between 3pm and 4:30pm. Please message me beforehand. Or contact me by telephone on 07557145216 or email [contact@paintboxblooms.com](mailto:contact@paintboxblooms.com).

Samples or meetings in the flower farm field are not a component of our DIY Weddings or floral buckets unless you opt for a Consultation Colour Service charge at £30 for one hour.

Think a Paintbox Blooms DIY Wedding is for you? Drop me an email with your wedding date, colour scheme and any photos of your vision.

Please note this is a DIY service and not a full floral service which is reflected in the price. If you require anything further, a wedding and event florist may be more suited for you.

I look forward to hearing from you.
