

Student Placement Consent Form

Music Therapy Program

Place of study: University of Western Sydney

Title of course: Master of Creative Music Therapy

Name of student: Douglas Aguiar

The Sleep Cottage is currently participating in the Student Placement Music Therapy Program from the University of Western Sydney. The student on placement, Douglas Ramos is studying a Master of Creative Music Therapy; he has a key interest in music therapy and how it can benefit sleep and rest.

You are invited to take part in the music therapy during your child's sleep study (also known as Polysomnography or PSG). During the placement, the student is required to observe the sleep study set up and provide sleep enhancing music therapy techniques during the set up if intervention is required for your child. The student will observe any differences prior to and after the music therapy has been applied.

The student placement program will continue at The Sleep Cottage until 31st October 2024.
