Accreditation and Designation Statements

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American Academy of Pediatrics (AAP) and the Nevada Chapter of the AAP (NVAAP). The American Academy of Pediatrics is accredited by the ACCME to provide continuing medical education for physicians.

The AAP designates this live activity for a maximum of 3.75 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity is acceptable for a maximum of 3.75 AAP credits. These credits can be applied toward the AAP CME/CPD Award available to Fellows and Candidate Members of the American Academy of Pediatrics.

PAs may claim a maximum of 3.75 Category 1 credits for completing this activity. NCCPA accepts AMA PRA Category 1 Credit[™] from organizations accredited by ACCME or a recognized state medical society.

Purpose of Course

The 2021 Nevada AAP Annual Meeting & CME aims to bring Nevada pediatricians from across our beautiful state virtually together to celebrate what we love about living and practicing medicine in Nevada and explore ways to improve pediatric care for all children in Nevada.

Learning Objectives

The Learning Objectives for each presentation are listed on the agenda.

Disclosure of Commercial Support for AAP CME Activities

This event is made possible in part by an AAP educational grant supported by Abbott Nutrition, a proud supporter of the AAP. Additional support was provided by the sponsors listed on <https://nevadaaap.org/annual-meeting>.

Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities

The AAP CME/CPD program develops, maintains, and improves the competence, skills, and professional performance of pediatricians and pediatric healthcare professionals by providing quality, relevant, accessible, and effective educational experiences that address gaps in professional practice. The AAP CME/CPD program strives to meet the educational needs of pediatricians and pediatric healthcare professionals and support their lifelong learning with a goal of improving care for children and families. (*AAP CME/CPD Program Mission Statement, May 2015*)

The AAP recognizes that there are a variety of financial relationships between individuals and commercial interests that require review to identify possible conflicts of interest in a CME activity. The “AAP Policy on Disclosure of Financial Relationships and Resolution of Conflicts of Interest for AAP CME Activities” is designed to ensure quality, objective, balanced, and scientifically rigorous AAP CME activities by identifying and resolving all potential conflicts of interest prior to the confirmation of service of those in a position to influence and/or control CME content. The AAP has taken steps to resolve any potential conflicts of interest.

All AAP CME activities will strictly adhere to the *Accreditation Council for Continuing Medical Education (ACCME) Standards for Commercial Support: Standards to Ensure the Independence of CME Activities*. In accordance with these Standards, the following decisions will be made free of the control of a commercial interest: identification of CME needs, determination of educational objectives, selection and presentation of content, selection of all persons and organizations that will be in a position to control the content, selection of educational methods, and evaluation of the CME activity.

The purpose of this policy is to ensure all potential conflicts of interest are identified and mechanisms to resolve them prior to the CME activity are implemented in ways that are consistent with the public good. The AAP is committed to providing learners with commercially unbiased CME activities.

DISCLOSURE OF FINANCIAL RELATIONSHIPS

All individuals in a position to influence and/or control the content of AAP CME activities are required to disclose to the AAP and subsequently to learners that the individual either has no relevant financial relationships or any financial relationships with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services discussed in CME activities. Listed below are the disclosures provided by individuals in a position to influence and/or control CME activity content.
