ABOUT THE ALEXANDRIA ACES

Where Legends Begin.

The Alexandria Aces are a collegiate summer league baseball team entering their 16th season as members of the Cal Ripken Collegiate Baseball League. We play 18 regular season home games at Frank E. Mann Field at Four Mile Run Park. **A non-profit organization, our main goal is to give back to the community.** Together, we will strive to build a strong and vibrant youth baseball program in the City of Alexandria as we open our doors to some of the best collegiate baseball players in the country - a fraction of whom even make it to the MLB!

TEAM PRESIDENT FRANK FANNON

A lifelong resident of Alexandria, Frank has served on the board of the Aces since their inaugural season in 2008, and in 2020 he became team President. Frank served on the Alexandria City Council from 2009 to 2012, along with being the past president of the Alexandria Sportsman's club and Volunteer Alexandria. Professionally, Frank is a retired mortgage banker with 30 years of experience, all with Truist Mortgage.

COACH CHRIS BERSSET

Co-Owner and GM of PrimeTime Baseball in Alexandria, VA. Berset was drafted in the 20th round in 2010 by the Cincinnati Reds and played 7 seasons of professional baseball playing at every level including AAA Louisville. Berset graduated from the University of Michigan with a BS Degree in Psychology. Chris also played for Great Britain Baseball in the WBCQ. Chris is in his 5th season managing the Aces and notably lead them to their first League Championship in 2022.

SUPPORTING THE ACES TAKES ALL FORMS

There are many ways to get involved with the Aces beyond attending games and becoming a sponsor. It takes a group of dedicated people to produce home games and to provide housing for players.

We have several open positions to volunteer or secure an internship with the team. See "Get Involved" on the website.

Host families provide our players with "homes away from home" during the summer season. There are many rewards to hosting a Cal Ripken League Baseball Player, including great family memories and lifetime bonds.

Like every team in the CRCBL, the Aces are always in need of new host families. Without the generous support of all our host families, there is no team. Players stay with families from early June to early August.

Aces players often work jobs (such as the Aces Youth Camps) during the day, and play games at night. Therefore, their needs are relatively simple: private room, bathroom and laundry room access, a place to park a car, and a family to cheer them on.

About two-thirds of the players have their own car. Players who do not have cars are strategically housed close to players who do have cars, so their teammates can provide them rides. We do not expect host families to drive our players around.

For more information on becoming a Host Family, please visit our website.
