**CONSTITUTION OF THE
WEST VIRGINIA STATE ASSOCIATION OF
FREE WILL BAPTISTS
PREAMBLE**

Having received salvation through faith in Christ Jesus, and having been baptized as an outward sign of our separation from the world, and realizing the necessity of being identified with and sharing the fellowship of other believers, have joined ourselves to a local visible church, we do ordain this Constitution to unify the work of Free Will Baptist in the State of West Virginia, and to devise and execute measures for the extension of the Kingdom of Christ and for the salvation of souls in cooperation with various quarterly or yearly meetings comprising this State Association.
May God Bless our labor.

Article No. 1

Section 1. All ordained Ministers and Deacons belonging to member Quarterly Meetings and District Associations shall make up the standing delegates to this State Association. Each quarterly meeting shall be permitted to send three lay delegates to the State Association plus one delegate from each Church composing that Quarterly Meeting.

Section 2. The membership of the State Association shall consist of the Quarterly Meetings and District Association of Yearly Meetings from time to time upon approval shall become members of this body.

Section 3. Any Minister, Deacon or Delegate voting in State Association must be a member of a Church in good standing with the Quarterly Meeting recommending them to the State Association.

Section 4. This State Association shall be affiliated with the National Association of Free Will Baptists of the United States of America, and recognize the Treatise of Faith and Practice as our guidelines for denominational fellowship, as long as they remain an independent denomination.

Article No. 2 – Discipline

Section 1. The State Association shall have the right to settle questions of discipline, doctrine or usage that may properly come before it from time to time from any Quarterly Meetings or Yearly Meetings composing the said State Association or act upon any appeal that may be made by any of the bodies that belong to the State Association. The said appeal shall have been written and signed by the Association making the appeal then forwarded by mail or in person to State Association and Quarterly Meeting.

Section 2. No Quarterly Meeting shall license or ordain to preach or serve as a Deacon any Man having two living wives. No Man having married a divorced Woman shall be licensed or ordained to preach or ordained as a Deacon in this State Association.

Section 3. No Quarterly Meeting shall license or ordain a Woman to preach.

Section 4. No Quarterly Meeting shall be accepted or retained as a member that license or ordain Women to preach.

Section 5. The Executive Board shall investigate any charges, after they have been properly presented to the Quarterly Meeting of which the grieved party or parties are a member. Any charges presented to this State Association Executive Board for consideration must be presented in writing and signed by the person or persons making the charges.

Section 6. The Executive Board shall be paid for travel expenses, at the United States Government rate when traveling to meetings for business of the State Association. The party or parties requesting the Executive Board to meet with them, shall be responsible to pay their expenses.

Section 7. Both Scripture and nature as designed by God affirm the lifelong, covenantal union of one man, being male as created by God, and one woman, being female as created by God, in a one-flesh relationship. This one-flesh relationship is emblematic of the union of Christ and His church. It is the sole and beautiful context of the divine plan for the marital relationship of man and woman as image-bearers of God, as well as the foundation for the family as the basic, divinely ordained unit of human society. Violations of this one-flesh union, whether heterosexual or homosexual, premarital or extramarital, contravene the divine plan for the family and for the conception and rearing of children, brining spiritual despair, guilt, and death to individuals and cultures.

West Virginia Disaster Response Plan

Goal:

To provide a plan for reacting to disasters in our state and possibly in other states east of the Mississippi when emergency situations strike and Free Will Baptist people and property are affected. Although efforts to help others may be part of this effort, we are especially concerned with helping people of our denomination. The response must involve spiritual help as well as material and physical aid.

Purpose:

To glorify God by serving our fellow men in times of widespread need occasioned by a natural or man-made disaster affecting large numbers of people. Natural or man-made disasters include hurricane, earthquakes, tornado, flood, acts of terrorism, etc.

Strategy:

- #1** To have a board (Masters Men Board) that shall coordinate the preparation for responding to a disaster.
- #2** Enlist and train a group of first responders. Encourage several workers to enlist in a Red Cross first aid course, a food handler's course, and other such training.
- #3** Raise money to purchase and equip a trailer for immediate use when a disaster strikes. The trailer will be equipped with first aid equipment, generators, lights, saws, tools, etc. needed in emergency situations.
- #4** Establish a fund to cover expenses associated with getting a team to a disaster and maintaining them on site for a period of time.
- #5** Have a contact person who will act as liaison between the State Association and National Association in times of crisis. This person should be familiar with National personnel and available to inform and disperse information.
- #6** Purchase and provide decals and ID cards that will help our responders gain access to disaster sites.

Criteria for Mobilization:

1. Help must be requested by a responsible party, i.e. local pastor or state officer.
2. The request must be made to the Moderator, Promotional Director, Masters Men Chairman, or another State Officer.
3. The disaster must primarily affect Free Will Baptist people and/or property.
4. It must be the result of one of the above mentioned disasters (we cannot respond to every call and every case especially if it is not of the magnitude to warrant such response). The decision to respond will be made by the Masters Men Board.

Organization:

1. The Disaster Response Team will include the Masters Men Board, Promotional Director, and State Moderator.
2. The Chairman of the Master's Men will direct the Response Team.
3. The State Moderator will contact personnel when a response is needed.
4. The Promotional Director will serve as the liaison between the National Association and the State Association.
5. Members of the Master's Men Board will be responsible for the purchase and maintenance of any equipment and/or vehicles dedicated for use during a disaster.

Article No. 9

CHURCH COVENANT

Having given ourselves to God, by faith in Christ, and adopted the Word of God as our rule of faith and practice, we now give ourselves to one another by the will of God in this solemn covenant.

We promise, by His grace, to love and obey Him in all things, to avoid all appearance of evil, to abstain from all sinful amusements and unholy conformity to the world, from all sanction of the use and sale of intoxicating beverages, and to "provide things honest in the sight of all men."

We agree faithfully to discharge our obligations in reference to the study of the Scriptures, secret prayer, family devotions, and social worship; and by self-denial, faith, and good works endeavor to "grow in grace and the knowledge of our Lord and Saviour Jesus Christ."

We will not forsake the assembling of ourselves together for church conferences, public worship, and the observance of the ordinances of the Gospel; nor fail to pay according to our ability for the support of the church, of its poor, and all its benevolent work.

We agree to accept Christian admonition and reproof with meekness, and to watch over one another in love, endeavoring to "keep the unity of the Spirit" in the bonds of peace, to be careful of one another's happiness and reputation, and seek to strengthen the weak, encourage the afflicted, admonish the erring, and as far as we are able, promote the success of the church and of the Gospel.

We will everywhere hold Christian principle sacred and Christian obligations and enterprises supreme; counting it our chief business in life to extend the influence of Christ in society, constantly praying and toiling that the kingdom of God may come, and His will be done on earth as it is in heaven.

To this end we agree to labor for the promotion of educational and denominational enterprises, the support of missions, the success of Sunday schools, and evangelistic efforts for the salvation of the world. And may the God of peace sanctify us wholly, and preserve us blameless unto the coming of our Lord Jesus Christ.

Scripture – Deuteronomy 6: 4-9, Genesis 1: 27, 1 Timothy 3: 5, Luke 6: 40.

His points were; The Home is the greatest area of influence. A mass exodus of the Church is ongoing, and many of them are the Church leader’s children. The Home should be our priority, and our Church leaders need to get their priorities straight. In order to lead the Church, they must be able to lead the Home first. We must know what our Children believe, teach them, and show them the right way to go. We must be available to our kid’s needs, and not put others ahead of our Children’s salvation. Marriage is honorable, we should take care of our marriage, and our discipline should look like Christ, and be administered with love, not anger!

M / S to receive the report. Motion passed.

Nominating Committee: No report. The Moderator will invite the committee to the pre-state meeting.

Web Master: Brother Jeff Bennett is doing an excellent job on both the web-page and publishing the Messenger. Brother Jim Sturgill will be assisting Jeff on the web-page. Brother Carl Lilly is up-dating our Facebook page.

Historical Committee: Brother Rickie Holstein said he received information for one additional church. Still need information from Churches. M / S to receive the report. Motion passed.

A question was asked if the State Association was going to pay for publishing the History Book of WV Free Will Baptists that Dr. Jim Cox is compiling. Brother Earl said he had correspondence with Dr. Cox concerning this. After a lengthy discussion the consensus was, since so many Churches did not submit their information, it is feared that someone may be offended since there is no information about their Church. We believe that Dr. Cox had good intentions in compiling and publishing this information, but felt that the State Association should not fund the cost of printing. We feel Dr. Cox should make this information available to our Historical Committee for their records, and this information could also be posted on our web-page.

M / S for the Executive Board to recommend to the State Association we not spend any money in the publication of that book. After a comment and question period, it was stated if Brother Jim wants to publish the book and sell them to recoup his money that is fine. A vote was taken and the motion passed.

New Business:

Items of Business from the Executive Committee to bring before the Executive Board.

#1- That we allow the Treasurer to change the insurance from the Maryland agent to Brother Stephen Peters in WV.

M / S to accept, motion carried.

#2- That we have a State Revival as presented by the Committee.

M / S to accept, motion carried.

#3- That the WV State Association adopt the Resolution #2 that was passed at the 1976 National Convention.

Resolution #2

REGARDING VARIOUS TRANSLATIONS

Whereas,

There is confusion caused among our people by many modern translations of the Bible;

Whereas,

Many of these translations are not reliable or trustworthy; therefore,

Be it resolved:

That we urge our people to use the King James Version of the Bible in the public services.

M / S to accept. Questions, there was much discussion both for and against this recommendation. It was stated that we cannot legislate or mandate what people do. It was also stated that we are a subordinate organization of the National Association and therefore we have already accepted this. We should not need to adopt this since it would be redundant to say we need to add this, since it's already a part of who we are. We should however choose a version and back it.

M / S to table this motion until our next meeting. Vote was taken and the motion failed. Back to the main motion for further questions. It was stated, we need to use caution in this matter since we have Churches that do use other translation, and we have a Hispanic ministry that uses Bibles that are not King James versions. There is fear that we could be disenfranchising these Churches and it is urged to use extreme caution. We could mandate this and then they would be violating by-laws. Also mentioned was that the National is not holding to this resolution since Youth Competitions, WNAC and Randall House is using other versions. Brother Luther Morgan said he has copies of books and DVD's for the Pastors to read, watch, and share with their Churches concerning this matter. After further discussion, a call for a vote was requested, and the motion to recommend to adopt Resolution #2 passed.

#4- That the State send an item of business to the 2013 National Convention asking them to abide by Resolution #2 in all the services at the National level (Youth, WNAC, and all Speakers and Events).

M / S to accept. After much of the same discussion took place, the motion passed.

M / S to recess for lunch, Motion carried.

The Moderator declared the session recessed at 12:20 pm, prayer and blessing was given by Rev. Carl Lilly.

Afternoon Session:

The afternoon session was called to order by the Moderator at 1:05 pm. Prayer by Rev. Luther Dingess.

Old Business:

That the Trustee Board contact Jay Cox and remove the sign located at the old State Office. The sign has been removed and the blocks are down. We do not have possession of the sign. It was determined we should forget about trying to get the sign back.

M / S was moved to declare this item of business complete. Motion carried.

The next item is concerning the Promotional Directors job description and the conditions of promoting the literature from Randall House. Brother Lilly has convictions about the version issues and he cannot in clear conscience, promote the literature due to the non King James version issues. He will continue to promote other items such as song book etc... We are now receiving around 3% back on sales. It was determined that we should give Brother Lilly better direction on this matter.

M / S was moved to sever the agreement with Randall House. The percentage on sales was discussed and an amendment to the motion was M /S to not accept any further money from Randall House, and to let them know the reason for this is the translation issue. Vote on the amendment passed. The original motion was voted on and carried. If this item is passed at the State meeting, we will need to amend the Constitution, to remove the agreement from the Promotional Directors Job Description.

M / S that a committee be appointed by the Executive Board to produce a viable and comprehensive plan, to guide the State Association in providing a Disaster Relief program. Questions / comments- The intent is, simply outlining how that would come about, where the funds would come from, and what kind of equipment is available. With last year's motion to dissolve the Disaster Relief Committee and to have the Masters Men Board to oversee the Disaster Relief Plan, it is felt more guidance is needed to get the plan up and running. Vote was taken and the motion passed.

M / S moved to appoint Allen Whitt as Chairman, and allow him to appoint 4 more men to work with him on the Disaster Relief plan. Motion carried.

M / S that Article #3, Section 2, Item 10 of the Constitution, (on page 11) be modified to include a requirement that the Chairman of the Masters Men Board, present an annual plan for the work of the Board. The plan is to be approved by the Executive Board, and presented to the State Association. The thought being, is to provide a workable plan of things to be accomplished in the coming year. It was mention that, one of the goals or milestone could be the Impact, where the State Association will be held. The agenda or activities can be laid out as part of their annual plan. A vote was taken and passed on the motion.

With no other business, M / S was moved to close the business session, motion carried.

The Church was thanked for their hospitality, and excellent lunch.

Announcements were made and prayer requests were spoken, dismissal prayer was lead by Rev. Dennis Vance.

Meeting adjourned at 2:00pm.

The Moderator stated that the Eastern Panhandle Conference had sent an item of business with their letter. Brother Jon McNay was called to present the item, on the definition of marriage. He said it is based from the National Associations 2011 revision, (on page 19) of the Treatise, (APPENDIX TO CHAPTER IV, SECTION I, ADOPTED July 2008) and was revised as follows.

The WV State Association will only recognize ordained and licensed ministers and deacons that exclusively teach, practice and officiate marriage as defined as the lifelong, covenantal union of one man, being male as created by God, and one woman, being female as created by God, in a one-flesh relationship. This one-flesh relationship is emblematic of the union of Christ and His church. It is the sole and beautiful context of the divine plan for the marital relationship of man and woman as image-bearers of God, as well as the foundation for the family as the basic, divinely ordained unit of human society. Any licensed or ordained minister or deacon that teach, practice or officiate violations of this one-flesh union, whether heterosexual or homosexual, premarital or extramarital, shall negate their license or ordination and shall surrender their papers immediately to their conference. M / S to adopt. After much discussion, and concern for the discipline aspect, the M / S were withdrawn. M / S to adopt the National Associations version from the 2011 revision, (on page 19) of the Treatise, (APPENDIX TO CHAPTER IV, SECTION I, ADOPTED July 2008) as follows,

Both Scripture and nature as designed by God affirm the lifelong, covenantal union of one man, being male as created by God, and one woman, being female as created by God, in a one-flesh relationship. This one-flesh relationship is emblematic of the union of Christ and His church. It is the sole and beautiful context of the divine plan for the marital relationship of man and woman as image-bearers of God, as well as the foundation for the family as the basic, divinely ordained unit of human society. Violations of this one-flesh union, whether heterosexual or homosexual, premarital or extramarital, contravene the divine plan for the family and for the conception and rearing of children, bringing spiritual despair, guilt, and death to individuals and cultures. Motion passed.

M / S to place the above (APPENDIX TO CHAPTER IV, SECTION I, ADOPTED July 2008) in our Constitution under Article No. 2 – Discipline as Section 7. Motion passed.

Announcements were given.

M / S to adjourn. Carried

Dismissed in Prayer by Rev. Larry Light, at 1:50pm.

Audit Committee Report
To
The West Virginia State Association of Free Will Baptist

The Audit Committee believes according to the REVIEW by the accountant that was received three years ago, all financial things are being done correctly. A 1099 Form again will be issued for any one who is paid \$600 or more, whereas the Promotional Director will be issued a W-2 Form. We would like to thank the people who filled out the reimbursement forms with receipts attached and the treasurers who did a great job of asking for them. Some people created their own forms with the correct information on them which seemed to work very well (the committee thought this was alright). We would remind all the people who get reimbursed to do the same great job this year.

To the best of our ability the Audit Committee found the financial records to be in proper order. We looked at the records of the West Virginia State Association of the FWB, the West Virginia FWB Mission Board, and the West Virginia WAC. The information provided covered the fiscal year starting on January 1, 2012 and ending on December 31, 2012. We carefully examined the following: Computer printouts, invoices, cancelled checks, balance sheets, receipts, and bank statements. We found the check book and bank statements to reconcile or to balance much like an individual would their check book for each set of books. We made sure the computer printouts and checks matched the invoices and receipts as they should.

The committee met on May 11, 2013 at Chesapeake FWB Church. Three of the committee members were present. Because of short notice and prior commitments Rev. Jon McNay and Rev. Larry Napier could not make the meeting. Bro. Curtis Hall treasurer for the State Association and Rev. Rickie Holstein treasurer for the Mission Board were also there. Sister Bobby Bowen treasurer for West Virginia FWB WAC was busy so she could not attend, but she provided the WAC information needed for the meeting. As the chairman, I would like to say the people I worked with are a great group.

Our thanks go out to the treasurers (Bro. Curtis Hall, Rev. Rickie Holstein, and Sister Bobby Bowen) for all the work and many many hours they put in for our benefit. Our thanks as well go out to the Chesapeake Church and it's pastor for allowing us to meet at the church. To each and every one of you we would like to thank you for the privilege of allowing us to serve on the committee.

May God bless our Association

Rev. Alva "Bud" Casto
Rev. Kenneth Samms
Rev. Jon McNay
Rev. Larry Napier
Rev. Mark Price

We held four meetings this year but were never able to have a quorum. However, they were very productive in that we presented to the State Board a proposal to study the feasibility of establishing a State Camp/ Complex. A goal of visiting every conference was adopted and we have begun the process. We have also adopted the goal of holding Conference Revivals annually with all conferences wishing to participate.

Our State Bible, Music and Arts Competition was a huge success. (Thank you LORD) The Members of Central Free Will Baptist Church were very gracious hosts to approximately 200 visitors and participants. Ten churches were represented in the competition with 113 participants in the various categories. Of this group, Participants from 9 of the 10 churches have indicated they will participate in the National Competition.

HISTORICAL COMMITTEE
of the
West Virginia State Association of Free Will Baptist

June 1, 2013

HELP!

The Historical Committee of the West Virginia State Association of Free Will Baptist is still seeking information about Free Will Baptist Churches in our State. **WE NEED YOUR HELP!**

Currently we have copies of most issues of the W.V. State Paper, thanks to Jon McNay and the Publication Board. However, at this point in time, only 22 Churches have responded and sent information to us, about their church.

We know there are individuals in each church, and conference, that have historical information; however, we also know that most of them would prefer to keep it for its historical and sentimental value. **We fill the same way... Please share it with others across the State. If you are not willing to give it to the Historical Committee, that's fine... just make us copies of what you have, or send it to us.. we will make copies, and send it back to you. That way others may share in the rich history of West Virginia Free Will Baptist in West Virginia.**

West Virginia Free Will Baptist history can be traced by to the late 1500s and the early 1600s. It is the intent of this committee to capture both recent and past history on any form of media (letters, books, pictures, cassettes, CDs) in the attempt to preserve our West Virginia Free Will Baptist heritage. The committee is looking for State Conference History (when formed, members, churches, etc.), Church history (when formed, ministers, deacons, members, etc.), History on past and present Ministers (when ordained, where they pastored, etc.), State Missionaries (a history of their call and their service in the field).

If you have any information, and would like to share it contact:

2013 WV State Meeting, Mission Board Report

June 7-8, 2013

I want to thank the lord for the men and women who have a vision for souls to be saved. A special thanks goes to our International Missionaries, Home Missionaries, and men of the State Mission Board. I also want to thank churches and individuals who are faithful in their prayers and for any support that they have given our missionaries.

The board continues to work, and listed below is some of the ways:

The board members gives reports when visiting conferences.

The board has met five times this year to conduct business for the missionaries.

Josue and Christina Rivera still need exposure in conferences and churches in the state of West Virginia. If anyone has an opening or can use them, please feel free to contact them. They need our prayers and support.

We have communicated with our Missionaries by email and by phone. Please continue to pray and support them.

The 2013 March for Mission Revivals were set and several churches participated. The money that was raised will be divided five ways.

The 2013 Golf Tournament will be held at the Brier Patch Golf Links Golf Course in Beckley on September 14. A special thanks goes to all past supporters. If anyone would like to sponsor a green for this years tournament, please contact Brother Rickie Holstein. The price to play will be \$60.00.

The board has established a scholarship for students who want to further their education in Christian Education. Starting June 2013 applications are available, you can contact any board member for an application. If any church or individual would like to give or send money for this fund, please send to the Mission Board and designate it to the Scholarship Fund.

We are working with the International Missions Department on the World Missions offering, and next year the offering will be a percentage of the March for Missions.

In April, I met with Josue and pastors, to discuss the work in the Huntington area.

We have ongoing mission works:

The Board has adopted two Bulgarian Missionaries. Tim and Lydia Awtrey are in Bulgaria and are doing fine. Jonathan and Amy Postlewaite left for Bulgaria February 2013, and are doing fine. Continue to pray for them and their work.

Josue and Christina Rivera, Eastern Panhandle, Ransom, WV. The Rivera's are still in the Eastern Panhandle and preaching the word. If anyone would like for Josue to come to their church or conference please contact him. Continue to pray that things will continue to grow. We would like to thank all of the churches in the state for the love and support that they have shown the Rivera family. Josue has received his green card. Josue is looking in the Huntington area to see if there are many Hispanics and if there are, they are willing to start a church in that area.

Kenneth and Shirley Cooper, Glenville, WV. The Coopers are still in the Glenville area and preaching the word. They have been at the New Life FWB Church for seven years now, continue to pray for their work. They still meet in a remodeled; one room school just outside of Glenville with two rooms built on. The Mission Board voted to give them a new six year contract. We plan to see if the Masters Men will help finish the siding. Work days has been scheduled in June and they are: June 21st and 22nd or June 28th and 29th to put siding on this church.

In closing, we thank God, the WV State Association, the conferences and the churches for their trust and confidence that they have placed on this board. As Chairman, I would like to thank the board members for their vote of confidence and faithfulness. If anyone should need our help, please feel free to contact any of the Board Members. Also, I have met with the Executive Committee this past year to discuss business. Pray for the Mission Board and Executive Committee that the vision never dies. We encourage all churches to continue to support Missions with prayers and financial support.

Dear Brothers and Sisters in Christ from the great state of West Virginia,

We hope this letter finds all of you doing well as you have gathered together for fellowship and to work toward reaching your state for Christ and His Kingdom. It has been a long time since we have seen you, but you are still very much in our hearts. We have so many great memories of our time in your churches and look forward to coming back in a few years. We also think about you often because we continue to see such generous support coming from so many of your churches. We pray that God will continue to bless you for your generosity so that you can continue to bless others.

We have been in Svishtov, Bulgaria since mid February and it has been filled with many new experiences and challenges. We were able to get plugged into several existing ministry opportunities right away. I (Jonathan) am assisting in several English classes each week at a local high school and will start teaching a class on my own next fall. I have also preached (with a translator of course) on several occasions at the church. Amy is helping out with the church's English club for kids each week and has made several friends through her frequent excursions to the playground with Anna Grace and Jonna. We also have begun language learning, and while we still have a long way to go, can honestly say that we are seeing progress in our ability to communicate with the people in their own language. Amidst the challenges of adjusting to life in a new culture, we are confident that our Lord and Savior is with us and has gone before us into the country of Bulgaria just as He went before the armies of Israel when they conquered Canaan. He is with us as we seek to take new ground for the Kingdom.

At the end of June our teammates Tim and Lydia Awtrey and their two children Yanna and Alex, will be returning to the states for six months. The Awtreys have played a huge part in our lives since we arrived in Bulgaria and have helped us adjust and settle in numerous ways. We are happy for them to be able to have a time to rest and connect with supporters in the states, but we also know that not having them in country will make things a little more difficult for us. Please pray for us as we learn to do more on our own in their absence. Pray also for them as they travel. Tim will be making several trips to West Virginia to continue to build the relationship between West Virginia Free Will Baptists and the work in Bulgaria.

Once again we say thank you for the work you are doing for the Kingdom both in your local communities and through your prayer and financial support for global missions.

Jonathan, Amy, Anna Grace, and Jonna

State Promotional Director's Report
June 8, 2013
Rev. Carl Lilly**

Please allow me to begin my report by saying that I appreciate our State Association giving me the opportunity to serve as your promotional director. As of this date, the Lord has blessed me to visit twenty of our twenty-one conferences. It has been a great joy to fellowship with our churches and to get to know many of our pastors personally.

I was privileged to travel to Memphis last July to attend our National Association. Pastors Earl White, Mike Smith, General Board Member Luther Morgan and other West Virginia pastors and members were also in attendance. Rev. Morgan, Rev. White and myself attended the National Leadership Conference last November as well.

I have attended many of the Mission and Christian Education Board meetings this past year. The Mission Board has worked very hard to see that the Postlewaite's were able to leave on time for their assignment to Bulgaria. The Christian Education Board did a wonderful job organizing the Bible, Music and Arts Festival this past April at the Central Free Will Baptist Church. Brother White, the mission board and myself worked with the World Mission Offering group this past year and we hope to hear at the national association meeting in July that they have achieved their goal of support for all of our foreign missionaries.

In the area of communications, the One Call Now program is being used more and more by our different ministries, while the Messenger continues to be a real blessing to those who receive it. Our WFWB Face Book along with our WFWB Web Site continue to be visited by those who use the computer for day by day updates on what is going on in our state and national associations.

If approved by the state association this session, we plan to have a Fellowship Revival at several locations throughout the state this August 8-11, 2013. Most of the locations have been secured and we ask for your prayers that God will receive the glory and we will benefit from the fellowship enjoyed at each site.

Please pray for me as I travel our state that God will use all of us in the building up of His Kingdom. What a blessing it is to be even a small part of His plan to see the lost come to Christ.

Yours In Christ
Rev. Carl Lilly

June 2013

Women Active for Christ began originated as an organization that sent out and supported missionaries in India. Through the years, the organization has been updated to not only be a mission's support group but also to help the women in all our Free Will Baptist churches realize and fulfill their part in the Great Commission.

Since the last State Association, the WV Women Active for Christ held our annual **Fall Retreat** in September 2012 at the Cornerstone FWB Church. Our theme was "Heart Smart." We had speakers who spoke of physical and spiritual signs of heart problems. Joy Unspeakable from the Cornerstone church presented a couple of wonderful dramas for the ladies. Sis. Kyla Rowland presented the Word of God as only she can do. We received over \$1,700 for the Central Asia program "Kids to Kamp." It was a really good retreat.

Our **Spring Luncheon** was held in April at the Sunshine FWB Church. The ladies of the church provided the special music and the program entitled "Mirror, Mirror on the Wall." Our mission project for the day was to provide personal hygiene and other gifts for Golden Girls group home in Ceredo, WV. The girls who live there have been removed from their homes and families because of domestic violence. We received approximately \$2,000 in non-cash gifts.

The Annual **WAC Convention** was held on May 18, 2013 at the Sophia FWB Church. The theme was "Living a Legacy" developed by Sis. Loraine Tolliver. She did a wonderful job. The ladies gave a baby shower for the Hope Center, a part of FWB Family Ministries in Greeneville, TN. We estimated the value of those gifts at approximately \$2,000. The ladies voted to cease having a spring luncheon and elected officers for the coming two year period.

We have a **Fall Retreat** planned for September 6-7, 2013 at the Bradley FWB Church. The theme is "...and Jesus stood still." Our special speaker will be Sis. Heather Eaves. She is an excellent speaker and well worth the effort to attend. She will definitely bless your heart. We will be receiving an offering during the retreat for the Postlewaite Family working in Bulgaria.

We would love to encourage all the ladies in WV to become involved in the state work. There's much that we can do together.

In His Grip,

WV WAC President

"Lift up a standard for the people."
(Isaiah 62:10)

To say that I am humbled and excited about being the newly elected President of Southeastern Free Will Baptist Bible College would be an understatement. Southeastern has no doubt been one of the five loves of my life. My ministry days have been absorbed with loving the Lord, my wife, my children, the churches I have pastored, and Southeastern College. I am thrilled to be here.

When I was approached about becoming the president of Southeastern by the Chairman of the Executive Committee, Pastor Dann Patrick, I was pretty much in shock. It was completely surreal, and I asked, "Why me?" Brother Dann gave me a number of reasons why they chose me, and then he asked me if I would pray about taking the position. I did pray, and I felt that was the direction that the Lord would have me to take. The rest is history. However, more important than how I came to this position, is why I strongly felt compelled to accept the presidency of Southeastern.

It has been my conviction for years that the existence of Southeastern is an absolute necessity to the future and to the strength of Free Will Baptists. Free Will Baptists are in great need of pastors and workers that are Free Will Baptist by doctrine and that are strongly evangelistic in philosophy. That covers the biblical directive to disciple believers and to reach the lost at home and abroad. If I can help promote this biblical philosophy among our people and our college students, I am pleased to take the helm of Southeastern.

Southeastern is a Free Will Baptist college. Our young servants need to know what we believe, where we came from, and what we should be doing as Free Will Baptists. I have been with Southeastern from its beginning, and regardless of the rumors that have swirled for years, Southeastern is a Free Will Baptist college. My children were trained at Southeastern, and they are proud of their Free Will Baptist heritage and are doctrinally established as Free Will Baptists.

Southeastern is dedicated to, and loyal to the ministry of the local church. Our students are expected and inspected regarding their roll in the ministry of a local church. Whether it is through the bus ministry, youth work, junior church, choir or some other local church ministry, Southeastern students are active in a local church. They are expected to faithfully attend their local church for Sunday school, morning, evening, and Wednesday's preaching services. Our students are also expected to attend revival, missionary or other special meetings of their local church. It should not be surprising then that during their final days before graduation from Southeastern, our students begin looking for a local church in which to serve.

Southeastern Free Will Baptist Bible College can help your children and your church. Do not take my word for it - come and visit our campus anytime. You will find our young people friendly and engaging. Attend our chapel services, and you will find challenging messages and our young people on the altar seeking God's face. I cannot imagine anyone visiting the campus of Southeastern and not leaving with an excitement about the future of Free Will Baptists. Come and visit with us, but more importantly, pray for us.

OUR PURPOSE

The purpose of Southeastern Free Will Baptist College is to train men and women for church-related ministries which are distinctively Free Will Baptist in doctrine and fundamental in practice.

Students choosing to attend SFWBC do so because our program is more "ministry oriented" than "career oriented." It is our purpose to prepare our students for a variety of church related ministries such as:

- Pastors
- Associate pastors
- Evangelists
- Missionaries
- Christian school teachers
- Youth pastors
- Church musicians
- Office personnel

OUR DISTINCTIVES

In the process of offering this specialized training, it is our objective to emphasize the following:

- Strong local churches
- Biblical pastoral authority
- Soul-winning
- Revival
- Christian schools
- Home and foreign missions
- Godly music
- High academic standards with an emphasis on practical application.

OUR PHILOSOPHY OF EDUCATION

Southeastern Free Will Baptist College is dedicated to preparing Christian men and women for Christian living and the ministry. The college operates under a Biblical philosophy of education which is Christ-centered, founded in the truth of a triune personal God revealed through creation, the person and work of His Son, Jesus Christ, and the inspired, infallible, inerrant Word of God. As a Christian educational institution, SFWBC is committed to providing an educational opportunity where the Christian world view is emphasized as both a basis for thinking and a pattern for living. The college is committed to developing believers to maturity in Christ.

Southeastern holds to the principle that the teaching/learning process involves the whole person. This includes developing the students' knowledge, values, and skills that will enable them to fulfill God's will for their lives. In light of this, SFWBC recognizes the necessity of a faculty consisting of regenerated individuals who are in close communion with God and a student body intent on a devotion to the Lord.

OUR GOALS AND OBJECTIVES

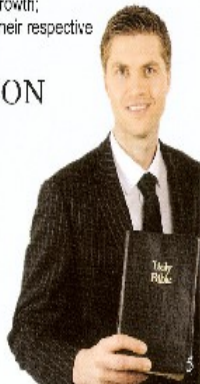

Institutional Goals

- To inspire regenerated students to know love, and serve Jesus Christ and to be burdened for revival in their generation.
- To strengthen each student's belief in the truths of the infallible Word of God.
- To develop in students Christlike character (through disciplined, Spirit-filled living).
- To direct students toward a biblical life view that integrates God's Truth into practical Christian living.
- To develop in students the cultural breadth and social skills that enhance their lives and equip them to communicate biblical truth effectively.
- To convince students of the biblical mandate for Christian Education and the primary application of that mandate in the Christian Day School.
- To prepare students for ministry by offering academic programs rooted in biblical truth and developed with a balance of academic excellence and scriptural practicality. (Academic and Practice)
- To instill in students a compelling concern for reaching the unconverted with the saving truth of the Gospel of Christ both in the local church and throughout the world.
- To implant in students a commitment to vital involvement in the life and ministry of a biblically faithful local church and to the pastor of that church.

Institutional Objectives

Graduating students will:

- Evidence a commitment to the Lordship of Jesus Christ and to the pursuit of revival;
- Evidence the fruit of a Spirit-filled lifestyle and mind-set;
- Evidence the recognition of the authority of Scripture in their lives;
- Evidence a foundational knowledge of Scripture and the ability to apply its principles to life;
- Evidence a commitment to the biblical mandate of evangelism at home and throughout the world as well as the ability to share their faith and win the lost to Christ;
- Evidence a commitment to a local church, to serve in it, and to the pastor's God-ordained authority;
- Evidence a commitment to the Christian Day School.
- Demonstrate the ability to effectively communicate in both written and oral form;
- Evidence analytical reasoning skills with the ability to interpret and integrate knowledge;
- demonstrate the ability for research on a post-secondary level;
- Manifest a commitment to lifelong learning and growth;
- Demonstrate the ability to effectively minister in their respective areas of preparation.

Dear Friends in West Virginia,

The effective ministry of Christian higher education is essential to the success of Free Will Baptists. Therefore, your support of Welch College is actually reinforcement to the overall ministry of the denomination. I sincerely thank you for what you do, not just for the college, but also for the Lord's work. Please continue to support us with your prayers and means so that we can educate young people who are passionate about serving Christ and His Church.

Sincerely,

Welch President Writes Article on Carl Henry for Gospel Coalition

On May 15, the Gospel Coalition published an article by Welch College President Matt Pinson entitled “Carl Henry: Not Just for Calvinists.” The article mentions longtime Free Will Baptist theologian and Welch College professor Leroy Forlines. “They wanted me to write an article on Carl F. H. Henry’s legacy for evangelical Christianity,” Pinson said. “But they wanted me to write it specifically from the vantage point of a conservative evangelical Arminian for their readers, of whom I assume most are Calvinists.”

The article can be found at: <http://thegospelcoalition.org/blogs/rgc/2013/05/15/carl-henry-not-just-for-calvinists/>

2013 Welch College Commencement Speakers

Students completed degrees in multiple programs ranging from two-year associate’s degrees to four-year bachelor’s degrees. Forty percent of the class graduated with honors.

Relocation Update

In 2008 we purchased a 66-acre campus site in the bustling Hendersonville-Gallatin area of Greater Nashville. Then the Great Recession and flat-lining of the Nashville real estate market stalled our plans for selling the West End Campus.

This economic reality changed our sales strategy. We’ve hired two of the best high-end real estate professionals in Nashville: Rick French and Ellen Christianson. They have moved us to a strategy of selling the campus to more than one buyer, rather than marketing it to one big developer. This has involved the staging of our campus sale, enabling us to sell properties earlier than aren’t central to the student experience, so that we won’t have as much property to sell at one time.

This strategy has been successful. We have just completed the first stage of our campus sale (around \$2.3 million), having sold Linn’s Hall, the Cook Building, the Missionary-in-Residence Home, and the President’s Home. (That means that my family is temporarily living in Pleasant View—where our children attend Pleasant View Christian School—until we complete the sale and build our new campus.)

With our new realtors in place, and with the Nashville real estate market beginning to recover, more buyers are interested in the West End campus than ever. Pray with us that God will bring about the campus sale as quickly as possible, enabling us to move forward with the dream of campus relocation.

The future is promising. Our alumni, churches, and supporters are enthusiastic about our new name. We’re moving forward with the offering of our first-ever online bachelor’s degree in ministry. We have launched a new website, www.welch.edu, and would love for you to visit. Please continue to pray for us as we continue to fulfill our mission for God’s glory and the extension of His Kingdom.

Dear Fellow Laborer:

You work so hard every day by pouring yourself into others. It is easy to neglect pouring something into yourself such as preparing for your future. When thinking of the joys of retirement, it seems so far away. When measuring it in dollars to draw from later on, however, it seems alarmingly close.

Waiting to begin your investing is a decision many regret later in life. It is important to start retirement planning as early as possible because of the power of compounding interest. The sooner you start, the more time you give this power to work for you. Money invested, over a period of time with compound interest, will grow to an astonishing amount. Start now, begin with what you can do and work to build up to the level you want to reach, but start now.

I am proud to be the general director of the one department that gives so much back to you as a reward for your labor. For over 40 years we have served many talented and knowledgeable investors. Our plan is designed to meet the particular needs of Free Will Baptist pastors, missionaries, and lay employees. We realize there are many and various kinds of pension and insurance plans available today, but we provide services and benefits that others cannot touch.

One major benefit is the ability to withdraw the money at retirement as designated housing allowance. That benefit alone has huge tax saving benefits that the secular funds cannot offer you. Combine this with the myriad of other benefits, the competitive rates of return we pay, our socially responsible investment policy that complies with our church covenant, and you have a plan that you can trust.

You have four investment options: (1) the *Pro-Mix Conservative Fund*, designed for people within 0-5 years of retirement, is invested from 5%-35% in the stock market; (2) the *Pro-Mix Moderate Fund*, designed for participants who are within 3-10 years of retirement, is invested from 20%-60% in the stock market; (3) the *Default Fund*, designed for participants within 7-20 years of retirement, is invested from 40%-70% in the stock market and (4) the *Pro-Mix Maximum Fund*, designed for participants who have 15 or more years before retirement, is invested from 70%-95% in the stock market. Please complete the Investment Selection form to tell us how you want your funds invested. You can change this each month. If you do not make a selection, your funds will be deposited in the Default Fund.

As you read through this enrollment packet, I believe most of your questions will be answered. If you have further questions, the staff and I are available to assist and advise you based upon your goals. You will see why our other members are so loyal to our plan. We welcome the opportunity to talk with you.

Serving you now and later,

D. Ray Lewis

WELCOME TO YOUR FUTURE

TAKE FULL ADVANTAGE WITH OUR PLAN

403(b) approved plan

Our 403(b) plan is approved by the IRS for all employees of Free Will Baptist Churches or Church Organizations.

Tax deferred contributions

Take advantage of tax deferred contributions to the Plan. Tax deferred contributions are not to be included in gross "reportable" income for tax purposes. Since the tax deferred contributions and interest are tax deferred, they will only be subject to taxes when the money in your account is distributed to you.

Flexible contributions

One can begin with as little as \$10 monthly. Generally, the maximum contribution allowable is 100% of taxable ministerial income or \$50,000, whichever is less. However, special "catch-up" provisions are available to certain participants. For an explanation of the catch-up provisions, please request Publication 571 from your nearest IRS office, or contact the Board of Retirement.

Personal and employer contributions

Participants may contribute personal "after-tax" funds. These contributions must be made by personal check, money order or automatic bank draft from the participant's personal checking account. Contributions can also be made by Salary Reduction or by direct contributions from the employer, i.e. the church or church-related entity. The employer (church/church agency) is permitted to contribute to the participant's retirement account as an added compensation benefit without such being taxable to the participant. All church checks must be payable to the Board of Retirement. **NO PERSONAL CHECKS CAN BE ACCEPTED FOR SALARY REDUCTION OR EMPLOYER CONTRIBUTIONS.**

Other funds that may be available

Participants may find other funds available to them through State Association plans, (Check with your state leaders) and with the Randall House Rewards Program where a percentage of your Sunday School curriculum order is deposited into your account.

Illustration above growth potential is based upon monthly deposits at the percentage indicated per annum, compounded semi-annually, on the account balance at the ending of the month and from date subsequent deposits are made.

The results are not a guarantee of future performance.

The Free Will Board of Retirement does not guarantee a specific rate of return on participants' contributions. Only the contributions are invested at full market risk. However, the Board has realized an average of 7.75% annual return to our participants for the past forty-five (45) years.

FROM THE DIRECTOR

As the planned giving arm of Free Will Baptists, the Free Will Baptist Foundation helps families discover the importance of leaving a legacy for the next generation. Our people are generous and they want to see the ministries of our denomination succeed until Jesus returns. The Foundation can show you a number of ways to participate in making the future brighter and helping ministries fulfill the great commission.

Rapidly growing assets show that our people have caught the vision of giving beyond their lifetime by supporting ministries long after they have gone to their eternal reward. Many see the need to perpetually support our colleges with scholarships and endowments. Others see the need to provide support for our mission agencies so that funding will be available as we open new states and new fields for Christ.

Perhaps you may not be aware that you can provide future support for ministries while at the same time providing income to your family. Investing in today's economy can be frightening. The Foundation's professional management provides benefits to your family as well as Free Will Baptist ministries of your choice. Our track record speaks for itself. I invite you to explore the many ways the Foundation can minister to you and our denomination. Please contact us to discuss a financial legacy for you and your family.

D6 Devotional Magazines are unique because they are the only brand of devotional magazines where the entire family studies the same Bible theme at the same time.

Think about how long it would take to track down all of the resources for each member of your family to connect with God on the same topic. Who has that kind of time? We do! It's not that we have nothing else to do, we are just passionate about D6. So look no further, we have created the resources for which you are looking. And it works!

Classroom learning is not about teaching lessons...it's about transforming lives. With D6 Curriculum, classroom learning is easy and effective with the use of the CLEAR Learning System™. CLEAR is the most effective way to teach the Bible because it's build around the natural learning process of students.

D6 Curriculum (based on Deuteronomy 6:4-9) aligns small group environments at church to where the entire family is studying the same theme at the same time. The cool thing is, it doesn't stop at the church worship experience. This one of a kind, effective discipleship curriculum helps parents reconnect with kids and teens through the use of devotional magazines, Splink, Family Links, and other take home resources that help equip parents to drive the Christian faith experience into the home.

D6 Curriculum is more than a Sunday morning experience... **It's a life curriculum that connects church and home.**

Three Little Letters

June 19th, 2013

THP

They are just three little letters. These three little letters don't mean much to most people, but they mean the world to us. THP. The Hanna Project. Seven brave individuals travelled halfway around the world to bring hope and Good News to the people of Svishtov. On the surface, THP helped to put in a playground for children with impairments, as part of a local program that helps children who suffer from autism, Down's syndrome and other disabilities. THP accomplished their main goal while also cleaning up the park area, painting and building a wheelchair ramp. Under the surface, however, much more was going on. There was one question that kept being asked by the Bulgarians around us. Why would these people spend their money and time to help us? There is a one-word answer – Jesus. In a country where everyone is mistrustful of one another, people were able to see the Gospel in action. Words don't mean much here, but the actions of the THP group spoke volumes. A wheelchair bound child was able to play on a swing set for the very first time in his life. A lady who works at this program, who we have been reaching out to for several years, was able to really hear the gospel because of the work of the THP. Those in the New Life church were able to see that the Kingdom of God is much larger than their little church in Svishtov. Thank you THP; preaching the gospel in word and deed!

HOME MISSIONS

CHURCH EXTENSION
LOAN FUND

CELF

What is CELF?

The Church Extension Loan Fund is a fund from which Free Will Baptist churches can borrow money to build buildings or buy properties. The investment program is one way to provide the base. Here is how it works. You can invest any amount over \$500 in the program. In return, you receive a good rate of interest on your money.

The money is then loaned to Free Will Baptist churches. The church repays the loan at a reduced rate of interest. The repaid principle is never spent, but rather loaned to another new church. The money will be loaned to Free Will Baptist churches, so the longer the money can be invested, the more help it will be.

Interest on your investment is paid monthly or compounded, whichever you choose.

There will be no penalty for early withdrawal of deposits. (A thirty day notice will be requested.)

The CELF Investment Program affords you an opportunity to help a church get a much needed loan and at the same time earn interest on your investment.

Why Invest in CELF?

God has been good to Free Will Baptist National Home Missions. Through His leadership and blessings, new churches are being established all across the United States, Canada, Mexico, and the US territories, such as the Virgin Islands and Puerto Rico.

The burden of these young churches, in most cases, is obtaining funds needed for building and expansion.

Realizing this need, the National Home Missions Board authorized the Church Extension Loan Fund Investment Program to be incorporated as a religious, not for profit organization. As the list of participants grows for the investment program, it opens doors of opportunity never realized by Free Will Baptist Home Missions.

Let the Lord use your money through us and enjoy the satisfaction of knowing that YOUR MONEY is BUILDING while it is EARNING.

If you have any questions about the CELF Program, please call Sue Hayes at 1.877.767.7674 (**Direct Line - 615.760.6137**), or write to Church Extension Loan

BUCKET BRIGADE

Fill a Bucket, Fill a Heart with Hope

A bucket brigade by definition means: *a chain of persons acting to put out a fire by passing buckets of water from hand to hand.*

At **Free Will Baptist Family Ministries**, we need a chain of friends acting on our behalf, standing in the gap, interceding through steadfast prayers and financial support to put out the fire of Satan against our children. By passing our buckets from hand to hand, your gifts can help fill a hurting child's heart with hope and healing.

Everything we have ultimately belongs to God. By teaching children at a young age the importance of giving & how it brings great blessings to both the giver & receiver, we hope we can help instill in their hearts an exciting way to become involved with Family Ministries through "Children Helping Children".

How can your children help our children?

1. Have your children pass the small buckets around the congregation to collect pocket change.
2. Pour all their offerings from the small buckets into the big bucket placed at the front of the church, filling it as often as you choose.
3. Appoint a coordinator to be in charge of the collections, and send in your offerings to Family Ministries at the designated time you set for your church.

Train up a child in the way he should go: and when he is old, he will not depart from it. Prov 22:6
