ROBERT B. PERRY

MAN, W.Va. — Robert Bilton Perry, 88, of Man, went to be with his Lord and Savior Jesus Christ Tuesday, September 20, 2016, leaving this world from the home of his sister, Katheryn, at Davin, after a long and courageous battle with leukemia.

Born July 10, 1928, at Pardee, he was a son of the late Bilton and Maude Mae Bailey Perry. In addition to his parents, he was preceded in death by his brother-in-law, Cecil Gent; one niece, Mary Gent Wrobel; and one nephew, Gregory Gent.

Robert was a 1946 graduate of Man High School and a member of the Old Man High Alumni Association. He was an Army veteran of the Korean War where he served in the Quarter Master Corp. He started his civilian career as a clerk at the Lorado Coal Mining Company Store at Lorado where he worked his way up to assistant manager. He briefly worked at McCormick's at Logan. Robert finished his career as the manager at Man Clothing and Jewelry at Man where he retired in 1990 after 35 plus years of service. A civic minded person, he served on the Rt. 10 committee, the Man Hospital committee, the Rotary Club, START, and many other civic projects.

The passion of Robert's life was serving his Lord and Savior Jesus Christ. He became a Christian at a young age and never wavered in his commitment of spreading the word of God to anyone who would listen. He served as a Deacon for 70 years, first at Saunders Freewill Baptist Church at Three Forks until the Buffalo Creek Flood in 1972 and then at the Greenbranch Freewill Baptist Church at Man until the Lord called him home. Throughout the years Robert served his church as choir leader, Sunday school teacher, teen activities planner, the provider of transportation to church, and in any other capacity that his church needed him to fill. He will long be remembered in the Man community for his unlimited devotion to his church and community.

Those left to cherish his memory include one sister, Katheryn Gent of Davin; one niece, Robin Gent of Morgantown; one nephew, Scotty Gent of Melbourne, Fla.; one cousin, Tommy Cline of Oceana; his church family along with a host of other relatives and friends.

**Thanks Brother Robert, for your dedicated service
to the WV State Association of Free Will Baptist!**

Section 6. Both Scripture and nature as designed by God affirm the lifelong, covenantal union of one man, being male as created by God, and one woman, being female as created by God, in a one-flesh relationship. CHURCH COVENANT

Having given ourselves to God, by faith in Christ, and adopted the Word of God as our rule of faith and practice, we now give ourselves to one another by the will of God in this solemn covenant.

We promise, by His grace, to love and obey Him in all things, to avoid all appearance of evil, to abstain from all sinful amusements and unholy conformity to the world, from all sanction of the use and sale of intoxicating beverages, and to "provide things honest in the sight of all men."

We agree faithfully to discharge our obligations in reference to the study of the Scriptures, secret prayer, family devotions, and social worship; and by self-denial, faith, and good works endeavor to "grow in grace and the knowledge of our Lord and Saviour Jesus Christ."

We will not forsake the assembling of ourselves together for church conferences, public worship, and the observance of the ordinances of the Gospel; nor fail to pay according to our ability for the support of the church, of its poor, and all its benevolent work.

We agree to accept Christian admonition and reproof with meekness, and to watch over one another in love, endeavoring to "keep the unity of the Spirit" in the bonds of peace, to be careful of one another's happiness and reputation, and seek to strengthen the weak, encourage the afflicted, admonish the erring, and as far as we are able, promote the success of the church and of the Gospel.

We will everywhere hold Christian principle sacred and Christian obligations and enterprises supreme; counting it our chief business in life to extend the influence of Christ in society, constantly praying and toiling that the kingdom of God may come, and His will be done on earth as it is in heaven.

To this end we agree to labor for the promotion of educational and denominational enterprises, the support of missions, the success of Sunday schools, and evangelistic efforts for the salvation of the world. And may the God of peace sanctify us wholly, and preserve us blameless unto the coming of our Lord Jesus Christ.

M / S to accept as a point of information.

New Business:

M / S to honor Rev. Carl Lilly with a plaque and gift at the State Association for his service as our Promotional Director. Motion carried.

A discussion was held concerning the \$1000 the WAC wants to raise for the visit of the NWAC leaders from the Ivory Coast. Rev. Luther Morgan moved a motion to give \$1500 to the WAC. Motion was seconded and passed.

Clerk Keith Hadley, asked if the State would pay up to \$400 to purchase new software needed for the compiling of the annual Minutes Books. He had to replace

his computer and the software previously used had no more licenses. The clerk was asked if he had any kind of budget for expenses to carry out his duties. With none, a M / S was moved to give the Clerk a budget account up to \$1000 per year without needing State approval, for needed supplies to carry out the duties of clerk. These expenses are to be defrayed by the treasury. Motion carried.

A question was raised concerning Article #8 Disaster Relief. We had previously given approval for the Mission Board Treasurer to receive and disperse money for disaster related activities. Since Article 8 was not changed to reflect this, the thought was that it should be added. After further discussion, it was said that the Moderator could appoint a Constitution and By-Law Committee to review these since there were other areas that needed cleaned up.

M / S was made for the Moderator to appoint a three-man Committee to review the Constitution and By-Laws and to recommend changes as needed and to report back to the Executive Board at the Pre-State Meeting in June. Motion passed.

Moderator Rev. Earl White appointed Rev. Rickie Holstein, Rev. Rex Cox, and Bro. Keith Hadley to the Constitution and By-Law Committee.

We discussed the need for the churches and conferences to submit up to date and accurate information on their letters. Many items in the State and National books are incorrect.

We discussed some of the requirements of Randall House listed in the Promotional Directors duties are not being carried out and should be addressed.

We discussed that the Clerk includes reports from the National Offices in the Minutes Books, and it is getting very hard to create this information. The web-pages are hard to get information from, and it is difficult to copy and paste into the Minutes Book. The Clerk said he will no longer compile this information. If the National Departments supply a report it will be included, if no information is supplied, they will be left out.

With no other business,
M / S was moved to close the business session until our next regularly scheduled meeting. Motion carried.

Our Pre-State meeting will be held on June 3rd.

Dismissal prayer was led by Rev. Gordon Workman.

Meeting adjourned at 1:30pm

Keith Hadley, Clerk

Keith Hadley, Clerk

Can you make a difference in this world? Absolutely! My heart was touched when I read a Lakota Sioux proverb that said, "We will be known forever by the tracks we leave behind." How true! We can make a difference in our world and "leave tracks" for those behind us to see.

Let's inspect some tracks left for us in the Bible. In Acts 9, we read the story about a lady named Dorcus. She was described as a woman full of good works and alms deeds. She was known for the coats and garments she had made for the widows of Lydda. Turning over to Acts 16, we read about Lydia. She was saved, witnessed to her household and won them to the Lord and showed great hospitality to Paul and his entourage. These women may not have changed the entire world but they made a difference in the world around them...and you can do the same.

Sunshine FWB Church in Huntington hosted our Annual Convention on May 20th. The meeting began at 10 a.m. Sis. Sandy Burdette developed the theme "All My Days." The Lord has a plan for our lives and knows the events that will occur in all our days on earth. Sis Sandy shared the story of how she and Bro. Doug desired to have children and how God heard and answered their prayers. Sis. Lydia Awtry was with us and shared her testimony about growing up in Communist Bulgaria and how she came to know Christ. We had a Baby Shower for Birthright of Huntington that day. Items donated were size 1 diapers, baby wipes, ointments, shampoos, baby wash, baby towels and wash cloths, crib sheets, sleepers (size 3-6 months) and receiving blankets. The staff at Birthright was thrilled with the quantity of gifts that were given. It was a wonderful day – wish more ladies would have been there.

We will be hosting the National WNAC President and past WNAC President from the Ivory Coast in July! These ladies will be in the USA the month of July and specifically requested to come to WV to thank the women of WV for all they've done to support the work in Ivory Coast during the last 50 years. We're planning a meeting for the Huntington area on July 11th at the Prince of Peace FWB Church, a meeting at Chesapeake FWB Church (Charleston area) in Chesapeake, WV on July 7th and one in the Beckley area at Cornerstone FWB Church on July 14th. The meetings in Huntington and Beckley will begin at 6 p.m. while the one in Chesapeake begins at 7 p.m. How exciting! So...how can you make a difference for them? Let's help pay their expenses while they are in West Virginia and attending the National Association in Louisville, KY. If your church or WAC group is willing to help with their expenses, a check can be sent to our treasurer earmarked for Ivory Coast ladies. Forward your checks to: Linda Hutchison, 3381 Holland Branch Road, Barboursville, WV 25504. Let's get started ASAP so their trip will be paid for before they arrive in the states.

Retreat will be held on September 8th & 9th at the Cornerstone FWB Church in Crab Orchard, WV. Sis. Phyllis Smith and I will speak on "The Obstacle of Unbelief" and "Believing God." There will be special music, drama teams amongst other things during this retreat. How can I make a difference for someone at this meeting? We will be receiving an offering for Brian and Emily Williams, Church Builders in New York and also for Tzif and Vanya Trifanova in Varna, Bulgaria. It's suggested that each WAC group bring \$100 for each mission work.

Even if you can't make a difference in the entire world, determine in your heart that you'll change the world around you. We can change our world for Christ. Let's work 'til Jesus comes!

Audit Committee Report

To

The West Virginia State Association of Free Will Baptist

To the best of our ability the Audit Committee found the financial records to be in PROPER ORDER. We looked at the records of the West Virginia State Association of the FWB, the West Virginia FWB Mission Board, the Christian Education Board, and the West Virginia WAC. The information provided covered the fiscal year starting on January 1, 2016 and ending on December 31, 2016. We carefully examined the following: Computer printouts, invoices, cancelled checks, balance sheets, receipts, and bank statements. We found the check book and bank statements to reconcile (balance much like an individual would their check book) for all four sets of books. We also made sure the computer printouts and checks matched the invoices and receipts as they should.

The Audit Committee believes according to the REVIEW by the accountant on May 26, 2015 that all financial things are being done correctly. A 1099 Form again was issued for any one who is paid \$600 or more, whereas the Promotional Director was issued a W-2 Form. We would like to thank the people who filled out the reimbursement forms with receipts attached and the treasurers who did a great job of asking for them. Some people created their own forms with the correct information on them which seemed to work very well (the committee thought this was alright). We would remind all the people who get reimbursed to do the same great job this year.

The committee met on April 29, 2017 at Chesapeake FWB Church. All five of the committee members were present. Bro. Curtis Hall treasurer for the State Association, Rev. Rickie Holstein treasurer for the Mission Board, and Rev. Larry Sanders treasurer for the Christian Education Board were also present at the meeting. Sister Linda Hutchison treasurer for West Virginia FWB WAC provided the WAC information needed for the meeting. As the chairman, I would like to say the people I worked with are a great group.

Our thanks go out to the treasurers (Bro. Curtis Hall, Rev. Rickie Holstein, Rev. Larry Sanders, and Sister Linda Hutchison) for all the work and many many hours they put in for our benefit. Our thanks as well go out to the Chesapeake Church and it's pastor for allowing us to meet at the church. To each and every one of you we would like to thank you for the privilege of allowing us to serve on the committee.

May God bless our Association

The publication board continues to strive to pass good information throughout our state association. We have kept the same three issue schedule for this year. Those who follow the WV FWB Messenger on Facebook are able to view issues about three weeks early thanks to a new program we have tried out called Anyflip. We are excited to have been able to publish an electronic copy, which is in flip format, meaning you can turn the pages of the magazine electronically just as you would the printed copy, and the good news is it was at no additional cost to the association. For all of you who are like me and on Facebook, and who would prefer to read an electronic copy, please pass the word, we may be able to reduce our print and mailing fees drastically.

I am also pleased to announce we have been able to use our Facebook account to share information between issues. We want to help share revivals, any upcoming events or reports about good things that are going on in our churches. There is so much bad on the internet, we hope to add some good! I would ask that everyone who is on Facebook please take a minute to look up our WV FWB MESSENGER page, and follow it, we do not put spam out there and we won't post garbage, this is used only for announcements about events going on in our churches and conferences.

Since we have made it possible to access the messenger from Facebook and also because there has been a drop in funds this year. We have stopped mailing out individual copies of the messenger and will only be sending them to the churches. Most people spend some amount of time on the internet and Facebook daily, some more than others. Please take a moment to get connected with our state's Facebook page, and when you do share it with others!

Thank you and God Bless,

Adam White

EXECUTIVE COMMITTEE REPORT – 6/3/17

The Executive Committee has met 5 times since the State Association. The meetings took place on August 16, 20, Oct. 4, 2016, Dec. 6, 2016, Jan. 14, 2017 & Jan. 23, 2017. Each meeting was well attended and opened with prayer and scripture reading. The reports from the various boards were given and approved.

Items of Business Discussed

Aug. 16 Meeting

Rev. Earl White suggested we begin a campaign to see if we could get more of our pastors involved in our state works. Also, a push to have opportunities for better fellowship among our churches and pastors.

Bro. Earl also ask the Ex. Committee to join him in getting out to all our conferences in the fall and spring meeting. The conferences will see some new faces shortly.

Oct. 4 Meeting

Bro. Earl informed the Comm. That Bro. Carl was resigning as Promotional Motional Director at the end of his contract. We have some resumes. Need to honor Bro. Carl at the State Assoc. We want to try to have a replacement by the state meeting.

Dec. 6 Meeting

Items for discussion: New Promotional Directors position. We have three resumes thus far. Also, Bro. Earl White, Brother Rickie Holstein and Brother Carl Lily talked about the Fall Blitz by some of the Committee to different Conferences and how wonderfully they were received. We talked about doing the same this Spring.

Another item discussed concerned how we all need to concentrate on meeting our budgets set by our State Executive Board each year. From that discussion came the following item of Business:

Item #1: We the Executive Committee recommend to the Executive Board that the following four departments forfeit one percent of their budget to be added back to the Christian Education Board at this coming State Association: The General Fund, The State Paper, The Promotional Director and WV Mission Board.

Note: The Christian Education Board has given up a percent of their budget in the past to help those departments that were in need.

The Executive Committee plans to meet on the same day as the Christian Education Board on Jan. 14, 2017 at the Central FWB to interview possible Promotional Director candidates.

Jan. 14 Meeting

Interviewed four candidates for the Promotional Director's job.

Jan. 23 Meeting

Discussed the interviews, but the Committee didn't select any of them. Great fellowship was enjoyed at each meeting.

Apr. 4 Meeting

Rev. Rickie Holstein was interviewed for the job of Promotional Director. Bro. Rickie shared from his heart his vision for the state, and how he would promote Participation, Education, Cooperation and Communication. Motion made and seconded for Rev. Earl White to conduct a phone vote concerning who the Executive Board will hire as a Promotional Director. (He will try to do so within the next week). Carried! Motion made and seconded to take \$2,000 from the General Fund and give to the State Paper account. Carried!

May 2 Meeting

Publication Board—Due to funds being low, the publication board has decided to reduce the amount of printed copies and cut out individual copies other than the ones sent to the national and other conferences. Also we have reduced the quantity of copies mailed to churches to 10. This will keep our cost to about \$1700 per issue. We are also working to promote the sharing of the messenger on Facebook. Everyone can receive a free copy of the Messenger via www.Facebook.com/wvfwbmessenger

Rev. Earl White informed everyone that when he conducted the phone vote concerning the hiring of Rev. Rickie Holstein for Promotional Director, the vote was unanimous in favor of hiring Rev. Rickie.

CHRISTIAN EDUCATION BOARD OF THE WEST VIRGINIA FREE WILL BAPTIST TO THE STATE ASSOCIATION

June 9, 10, 2017

We the Christian Education Board count it a privilege to serve our State Association. We have had several projects going on this past year. We have started the Adopt-A-Granny Program. This is where our Youth helps or spends time with an elderly person. It runs from December to March 30th each year. This past year we have seen great interest in this program. We are looking forward to seeing more churches and youth groups participating in this program.

We have brought back the Sunday School Enlargement Campaign. Our Sunday Schools have declined in the past few years, and we are hoping and praying that our Pastors and Sunday School Superintendents will get excited about seeing our folks coming back to Sunday School. The Campaign runs from December thru the end of April. The Churches with the greatest increases will be presented with a trophy or a nice plaque at the State Association.

We had our Bible, Music, and Art Festival on April 22, 2017. It was held at the McCorkle Free Will Baptist Church. The church was really a gracious host, and everyone had a great time. Last year we had 2-3 kids that came in 1st place at the Nationals. This year we are hoping that there will be even more kids to bring home the first place trophies. Please pray for all the youth, they are living in perilous times.

We are also conducting a VBS Material Exchange. Since VBS Material is expensive, and some years hard to find just the right one. Don't toss those kits when you're through with them! Save them to bless another Church. We invite all churches to "recycle" their VBS skits. They can send us information about the kits they have. Title, lessons/theme, skits/props available, format (weekend, 4 nights, 5 nights, etc.) and a contact person in the church. We will post the information about available kits and contact info on our webpage for other churches to view. For information or to submit your VBS kit information they can contact sister Amy Smith at asmith.wvceb@gmail.com.

We also have a new Webpage, you can check it out at, www.wvchristianeducationboard.weebly.com

We have also helped this past year with some youth revivals, and youth rallies. There have been precious souls saved, Praise the Lord.

We are asking everyone to help us get announcements and activities out to you quicker and straight to your inbox! Send us your email address and telephone number to: Bro. John Preece at ; jwp7777@yahoo.com or sign up through the Contact Us page on our webpage. Thank You.

We have been visiting different Conferences, and have purchased Guideline Books for the BM&A Festival.

In January we honored Bro. Carl and Sister Paula Lilly with a dinner and a gift, to show our appreciation for all the help and support they have given the Christian Education Board for the past almost 6 years. We will truly miss Bro. Carl.

We have also had another member to resign recently. Bro. Larry Sanders has been a faithful member of the Christian Education Board for the past 3-4 years and has done a lot to further our efforts for the State Association and our Lord. He and his wife Sister Thelma are moving out of state. They will truly be missed by us all. May God bless and continue to use them in His service.

For a financial report of our board: We had a beginning balance of \$3,192.44, with \$15,329.20 in credits. (we closed our savings account of \$on,200.00 and sent \$10,000.00to the FWB Foundation, and put the \$200.00 in our checking account. FWB Foundation is paying 2.75% interest, compared to almost nothing at the bank). We had \$16,770.64 in debts, leaving us with an ending balance of \$1,751.05.

We have \$10,101.64 in our saving with FWB Foundation.

In His Service,

Bro. John Preece
President CEB

Goal:

To provide a plan for reacting to disasters in our state and possibly in other states east of the Mississippi when emergency situations strike and Free Will Baptist people and property

are affected. Although efforts to help others may be part of this effort, we are especially concerned with helping people of our denomination. The response must involve spiritual help as well as material and physical aid.

Purpose:

To glorify God by serving our fellow men in times of widespread need occasioned by a natural or man-made disaster affecting large numbers of people.

Natural or man-made disasters include hurricane, earthquakes, tornado, flood, acts of terrorism, etc.

Strategy:

1. To have a board (Masters Men Board) that shall co-ordinate the preparation for responding to a disaster.

2. Enlist and train a group of first responders. Encourage several workers to enlist in a Red Cross first aid course, a food handler's course, and other such training.

3. Raise money to purchase and equip a trailer for immediate use when a disaster strikes. The trailer will be equipped with first aid equipment, generators, lights, saws, tools, etc. needed in emergency situations.

4. Establish a fund to cover expenses associated with getting a team to a disaster and maintaining them on site for a period of time.

5. Have a contact person who will act as liaison between the State Association and National Association in times of crisis. This person should be familiar with National personnel and available to inform and disperse information.

6. Purchase and provide decals and ID cards that will help our responders gain access to disaster sites.

Criteria for Mobilization:

1. Help must be requested by a responsible party, i.e. local pastor or state officer.

2. The request must be made to the Moderator, Promotional Director, Master Men Chairman, or another State Officer.

3. The disaster must primarily affect Free Will Baptist people and/or property.

4. It must be the result of one of the above mentioned disasters (we cannot respond to every call and every case especially if it is not of the magnitude to warrant such response). The decision to respond will be made by the Masters Men Board.

Organization:

1. The Disaster Response Team will include the Masters Men Board, Promotional Director, and State Moderator.

- ~~2. The Chairman of the Master's Men will direct the Disaster Response Team.~~
- ~~3. The State Moderator will contact personnel when a response is needed.~~
- ~~4. The Promotional Director will serve as the liaison between the National Association, and the State Association.~~
- ~~5. Members of the Master's Men Board will be responsible for the purchase and maintenance of any equipment and/or vehicles dedicated for use during a disaster.~~

HELP!

The Historical Committee of the West Virginia State Association of Free Will Baptist **is still seeking information about Free Will Baptist Churches in our State.** **We still lack information on more than 100 churches. Please help us gather the much needed information - before it is forever lost.**

At the present time, The Committee has only received information from **61 churches, and 6 conferences** across our state. If you, or someone in your church has information about your church's history, please get that information and send it to me (*Rickie Holstein, P.O. Box 4624, Charleston, W.V. 25364*), email it to me at rickieholstein@live.com, or call me at 304-595-4246.

>>This past year, I went through all the state minutes from 1946-2016 and compiled a spreadsheet which lists everyone that has held a position, or ever served on a board or committee, and the years in which they served.

>>This past year, I also went through all the Histories I have from Churches and Conferences, updating them and getting them ready to be uploaded to our State Web Site.

>>I met with Jim Sturgill, our state Webmaster, to get this information uploaded on our state website. **What I have is now on the site, so everyone can access it** and see those who have served our state association over the years, and the history of those Churches which have sent me information. **To view this information go to wvfwb.org - then go to [About Us](#) - go to [History of WV FWB Churches](#) or [History: Who's Who](#).**

My hope is to have as much W.V. F.W.B. history as possible, available to not only the people of our state, but others who may be interested in learning of our rich heritage, as Free Will Baptists.

Would you please help us, by gathering this much needed information?

Thank You.

“Providing opportunities for each woman to fulfill the Great Commission through her God-designed roles in the home, church, community, and world.”

Women Nationally Active for Christ is a department of the National Association of Free Will Baptists that exists to help each woman fulfill the Great Commission at home, church, in the community, and around the world. The organization helps establish and promote thriving Bible-based, outwardly focused women’s groups that work together to accomplish greater Kingdom goals.

WNAC is comprised of women in local church groups. These groups within a specific geographic region form a network (district) and meet regularly for encouragement, exchange, and spiritual nourishment. The various districts within a state join together and meet annually and other times for retreats and special events. Together these local church, district, and state groups form Women Nationally Active for Christ with affiliate groups in Mexico, the Caribbean, Central America, West Africa, and Asia.

From the Executive Director

WNAC supports missions and ministry causes at home and around the world, and we invite you to be part of what Free Will Baptist women are doing. Free Will Baptist Board of Retirement

Planning For Your Retirement – The best time to begin planning for your retirement is now. Making contributions to a salary deferral program is one of the easiest and most important steps you can take to ensure a secure financial future. The **Board of Retirement Plan** provides that important option.

The Board of Retirement administers the Retirement Pension plan established by the National Association of Free Will Baptists (“Plan”). It is a defined contribution 403(b)(9) pension plan that is designed for the retirement needs and security of employees of FWB churches and agencies. The Internal Revenue Code permits denominations and churches to set up retirement plans designed to permit you and your employer to accumulate retirement savings. The Plan has each participant’s retirement goals in mind and has historically great performance records while maintaining Christian values in its investments.

Eligibility – Any employee of a FWB church, organization, or ministry (i.e. State Office, church school or daycare, camp, etc.) that has a Full-Time or Part-Time status of at least 20 hours per week with their employer is eligible to enroll in the plan. In addition, Free Will Baptist ministers who are evangelists or otherwise self-employed and the spouses of Free Will Baptist missionaries are eligible to participate in the Plan without regard to the number of hours they work a week.

Participation Options – The plan is flexible. You can defer or contribute as little as \$10 a month or as much as 100% of your salary, not to exceed the annual limit imposed by the IRS. However, special “catch-up” provisions are available to certain participants. You may be able to receive additional matching or regular contributions on your behalf.

Types of Contributions – There are several types of contributions that may be made to the plan.

1. **Employer Contributions** – Each Participating Employer is allowed to decide how much it wants to contribute to the Plan on behalf of eligible employees. There is no requirement that an employer must contribute to the Plan, so the employer must discuss with its employee(s) whether it will make Employer Contributions to the Plan, and if so, how much those Employer Contributions will be.
2. **Employee Elective Contributions** – These contributions are made through a Salary Reduction Agreement (SRA) between the participant and their employer. With an SRA, the participant decides the contribution amount withheld from their paycheck. The participant may make two types of Elective Contributions. One type of Elective Contribution is on a pre-tax basis which reduces your current taxable income by the amount of your contribution. A second type of Elective Contribution is a ROTH Contribution. Roth Contributions are made on an after-tax basis which do not reduce your current taxable income. Earnings on Roth Contributions can be withdrawn at retirement tax-free if certain criteria are met.

3. **After-Tax Contributions** – After-Tax Contributions are additional contributions that can be made on an “after-tax” basis. These can be made by sending a check directly to the Board, or by setting up an automatic bank draft from their personal bank account.
4. **Rollover and Transfer Contributions** – If you are a participant in another retirement plan, or if you have been contributing to another 403(b) tax-sheltered annuity provider through your employer, you may also be able to make a Rollover Contribution or a Transfer Contribution to this Plan.

All of the funds that are contributed to your retirement account are invested and earnings accumulate until the account is closed.

Investment Strategies - This Plan is intended to give you an opportunity to exercise control over the investment of the assets in your Account. There are four (4) Investment Strategies available to participants and each have their own specific investment objective. The participant maintains the flexibility to choose which Investment Strategy best fits their retirement needs and objectives and may choose one or all of the options to invest in.

Plan Benefits & Advantages – The Board of Retirement Plan offers some unique benefits for its participants as well as several advantages over other retirement plans.

Benefits include:

- Ability to defer on a pre-tax basis (No federal income tax. Ordained ministers also receive deduction in self-employment tax)
- Establish a ROTH Account that may be beneficial at retirement
- Low cost options
- Ability for retired ministers to withdraw funds from their retirement plan and utilize up to 100% of the distribution as a tax-free housing allowance

Advantages include:

- No commissions for new accounts or assets
- No direct fees
- Ability to contribute \$18,000 in SRA contributions and total contributions of \$54,000 per year (2017)
- Participants are looked after from Biblical standards first, IRS standards second
- Investments follow guidelines voted by FWB
- Educational resources for personal finances based in Biblical doctrine.
- Housing Allowance for ordained employees (403(b)(9)); church plans are the only ones that can offer this
- Staff truly care for your retirement planning

The Board of Retirement is committed to helping each participant plan for their future and reach their retirement goals. Because we are a non-profit organization, we have no profit motive or competing interest. Our main objective is to build the value of each participant’s retirement account. If you have any questions regarding **The Board of Retirement Plan**, please contact our office at (877) 767-7738, or by email at boardofretirement@nafwb.org. HOW TO BE SUCCESSFUL IN MINISTRY

Culled from many years as a successful pastor along with many years of very fruitful evangelistic work, Brother David shares very practical ideas for

the pastor and church leader that will help put them on a path that will produce lasting results for the Kingdom of God. (Can be several one hour sessions)

THE HISTORY OF FREE WILL BAPTISTS

David Crowe is known as one of the foremost historians of our day of the Free Will Baptist denomination. He has one of the largest libraries of historical Free Will Baptist documents and books in existence. His passion is to bring this history to our Free Will Baptist pastors and their congregations in interesting, easy to understand presentations. One of the keys to getting to where we need to go is understanding where we have come from. This seminar on the history of our denomination will give a greater appreciation for our heritage. (Can be several one hour sessions.)

HANDS HELD HIGH

David Crowe has been used to be an encouragement to hundreds of pastors across our country. In this inspirational message, David teaches the importance of the ministry of encouragement and shares a unique way the church he pastored put this into practice. A much needed message in a day when discouragement among our pastors and churches is at an all-time high.

Church Growth & Leadership Seminars

BRAD RANSOM

Director of Church Planting

brad@nafwb.org • 615.760.6131

STRATEGIC PLANNING

Strategic Planning is the process your church has to define its mission as well as outlining the route you will take to accomplish it. Oftentimes little or no planning goes into very important

events that have potential for kingdom results. This seminar will teach pastors and church leaders the importance of having a strategic plan and how to develop it, including defining outcomes, setting goals, creating time lines, etc. This process is the *how to* of taking a list and turning it into a plan.

HOW TO RECRUIT VOLUNTEERS

The church is one of the only organized institutions in existence that operates using such a large force of volunteers compared to paid staff. Volunteers are essential to the success of any local church. Most churches struggle with having enough volunteers to cover all the ministry positions in the church. Often, pastors resort to begging and pleading from the pulpit for volunteers to serve in various ministries. This seminar will help the pastor and other church leaders know how to recruit high level, qualified volunteers without begging and sounding desperate.

EFFECTIVE OUTREACH

Having an effective outreach system for your church is the only way your church will see sustainable and consistent growth. Without an intentional outreach strategy, churches will fall into maintenance mode and the baptistery will dry up along with the hope of having a local church that really makes a difference in the community. This seminar will challenge church leaders to understand the importance of outreach in the local church as well as give practical ideas of actual outreach events that you can use in your church.

CREATING A WOW FACTOR FOR YOUR CHURCH

When visitors show up at your church for the first time do they feel welcome? Do they feel valued? Do they know where to go and what to do? There are so many questions that churches need to consider when preparing for first time visitors. *Creating a Wow Factor for Your Church* teaches leaders the necessity of critically looking at the church's facility, programs, systems and more. This seminar teaches leaders how to create a great "first impression experience" for visitors, which will cause them to want to return for a second and third visit.

SYSTEMS THINKING (LOOKING AT YOUR CHURCH FROM ANOTHER PERSPECTIVE)

Systems are the essential organizational parts that make up every church. Just as the human body has systems (circulatory, muscular, neurological, skeletal, etc.) the church has essential systems that must be in place in order for the church to be healthy and grow. These systems include outreach, assimilation, teaching, stewardship and more. If these systems are not functioning properly or they are nonexistent, the church will eventually break down and not be able to fulfill its intended purpose: reaching the lost. This seminar explores eight essential systems that every church needs to have to be healthy.

STRUCTURING YOUR CHURCH FOR GROWTH

Church structure is inherent to every church and sets potential for growth and breaking growth barriers. Church structure is the process that allows your church to progress, make change and implement new systems and repair old ones. Churches can have great systems but without the correct structure they cannot be implemented. This seminar will help church leaders see the main structures in churches, identify where their church is and learn how to make adjustments that will allow their church to grow.

Each of these seminars is about one hour in length.

THE POWER OF A BASKET

In the Book of Acts, the life of a young Christian convert by the name of Saul was saved because some unnamed disciples lowered him to safety in

a basket. This message challenges Christians on the very high priority that needs to be placed on soul winning and discipleship. Someone's life is counting on it!

SEVEN TRAITS OF HIGHLY SUCCESSFUL MINISTERS

Stephen Covey revolutionized the business world with his *Seven Habits of Highly Successful People*. This seminar puts a spiritual twist to the concept and highlights seven characteristics that are present in the lives and ministries of those who have been mightily used of God.

EXAMINING THE BODY

A comprehensive spiritual check-up for the local church. The church is described in the Word of God as a body. This seminar takes the patient to the doctor for a complete physical. A comprehensive exam that looks at every area of the local church, from the pulpit to the pew and everything in between, finds the areas of need, comes up with a plan of action on how to implement the changes needed, and then gives helps on how best to make the change come about. From the examination, to the medical prognosis, to the plan of action. (This can be done in as few as a couple of sessions, or can be as long as 5 to 6 hours over a couple of days.)

JUST BECAUSE IT'S BURIED, DOESN'T MEAN IT'S DEAD

In 2 Kings 22, we find that the Word of God had been lost in the church house! Yet, when it was found, opened, read, and shared, it still had as much power as it ever had! This message proclaims the relevance of preaching and worship in a modern world—an encouragement to preachers and the church.

FOUR STEPS TO SUCCESSFUL MINISTRY

There are many books and seminars discussing the secrets to church growth and successful ministry. With a common sense, down to earth, back-to-the-basics style, this lesson covers four key elements that every pastor/preacher/teacher/Christian ministry leader must operate with in order to be successful in their work for the Lord.

GUARANTEED PRINCIPLES FOR CHURCH FAILURE

Inspired by a trip to the local Dairy Queen, this seminar seeks to take a light-hearted look at how churches often make it more difficult for prospective members rather than easier. A powerful discussion on road blocks churches put up that hinder church growth.

WHAT TO DO WHEN LIFE DOESN'T TURN OUT THE WAY YOU PLANNED

Used as a pawn by her father Laban, unloved by her husband Jacob, hated by Rachel, Leah is a classic example of a life of shattered dreams and broken plans. Yet, Leah made a life changing decision, a secret that is shared in this message to help those who are dealing with discouragement in the ministry and in Christian service.

LEADERSHIP

Men are called to be leaders. In this three session conference, we will look at the need for men to be leaders in the home, the church and the world. While

discussing a serious topic, there will be lighter moments to keep the attention of the participants.

HOMELAND SECURITY

This four part seminar will look at developing good soldiers in the Lord's army. We realize we are in a spiritual battle daily and we must be prepared. Sessions are:

- Becoming a Good Soldier
- Protecting Your Home
- Protecting Your Doctrines
- Protecting Your Testimony

LAY LEADERSHIP

A four part seminar on developing lay leaders.

- 1 Developing lay leaders
- 2 Being a leader in your home
- 3 Being a leader in your church
- 4 Being a leader in the world

KEYS TO A SUCCESSFUL FINANCIAL PLAN

Using the music scale as a guide, we will look into simple and practical ways to improve the participant's financial status. In a session that will take about two hours, we will look at:

- A - Assess your current position
- B - Budgets
- C - Credit
- D - Determine to live debt free
- E - Emergency fund
- F - Future planning
- G - Giving

SHORT TERM MISSION TRIPS

This seminar will help provide information for those that have never led a short term mission trip. Topics will include *why go, before you go, who should go, when you go and after you go*. There will be forms available and lists of things they will need to consider.

MEN'S MINISTRY

Mentoring men is probably one area where churches fall far short. This one hour session focuses on helping men become what they should be.

Church Growth & Leadership Seminars

The directors of Free Will Baptist North American Ministries have compiled this list of Seminar and Sermon topics as a part of our Church Revitalization efforts.

This list gives state associations, conferences and other groups the ability to "tailor make" a church Growth and Leadership Conference to meet their specific goals and needs.

Our staff has set aside several weekends throughout the year just for these conferences. For available dates and more information, please email Teresa Womack at teresa@nafwb.org or call her at (615) 760-6132.

Southeastern
Free Will Baptist College

A Personal Word from our President

Welcome to Southeastern's website. More than likely you are here because you are searching for God's will for your life. I believe that you have come to the right place to find help.

Southeastern Free Will Baptist Bible College exists to develop servants for the local church. Our local churches are in regular need of pastors, assistant pastors, youth and music ministers, Christian school teachers and business managers. If your burden and vision is to establish a body of believers in the United States or on a foreign field, we can help you develop the skills to do so. Our mission as a Christian College is to help you find your place in God's great field of service. Southeastern provides the kind of atmosphere where young people can search and find the will of God for their lives. That atmosphere involves being in the midst of godly professors who love their students, counsel them, and pray with them. Our unique atmosphere also places young people in the midst of other young people whose heart's desire is to find God's will for their lives and to serve Him.

Allow me to make one final observation. Our chapel services are defined by passionate, anointed preaching. The Apostle Paul states in Titus 1:3, "But [God] hath in due times manifested his word through preaching," God speaks to our hearts (reveals His will to us) through the anointed preaching and teaching of His Holy Word. The more preaching and teaching that we expose ourselves to, the more apt we are to find God's will. If you have questions after browsing our website, feel free to email or call us. We will be more than pleased to help you. We feel that Southeastern Free Will Baptist Bible College is an excellent choice for those who desire to find God's will for their lives and who want to receive the training that will help them serve Jesus Christ effectively.

Sincerely, Jim Marcum,
President of Southeastern

Purpose Statement

The purpose of Southeastern Free Will Baptist College is to train young men and women for church-related ministries.

While we fully understand and appreciate that all truth is God's truth, it is our purpose to prepare our students for a variety of church related ministries such as pastors, associate pastors, evangelists, missionaries, Christian school teachers, youth pastors, church musicians, and Christian business professionals.

Students choosing to attend Southeastern FWB College do so because our program is more "ministry oriented" than "career oriented."

In the process of offering this specialized training, it is our objective to emphasize the following: strong local churches, biblical pastoral authority, soul-winning, revival, Christian schools, home and foreign missions, as well as high academic standards with an emphasis on practical application.

|THE HARVEST STORY

Harvest is a non-profit children's home, licensed by the Virginia Department of Social Services. In addition, Harvest is a Free Will Baptist Ministry endorsed by the Virginia State Association and is a member of the Virginia Association of Children's Homes.

The home officially opened its doors in August 1993 with the mission of providing abused, neglected, abandoned or troubled children with a healthy Christian home environment, caring parents, and a wholesome family life. Since that time, the home has served over 1,700 children with tremendous success.

Harvest Free Will Baptist Child Care Ministries began only as a dream in the hearts of a few motivated people. It was a dream of reaching out to victimized young people who needed a second chance. It was a dream of providing a home of Christian love to children who are mistreated and misused.

The Stickleyville and Ruby Dobson Cottages are long-term homes that provide children, ages 5 to 17, a structured, family-style environment. House parents provide a homelike setting that promotes a healthy balance between nurturing and structure.

The Emergency and Assessment Shelter provide both emergency care and evaluation services. The homes, which operate separate wings for boys and girls, can serve up to thirty- three children at any given time. The shelters are short- term programs of 45 to 90 days.

When children come to Harvest, they have many needs that must be addressed. Most of them are educationally neglected and are several grades behind their peers. Our staff works diligently with the school system to provide assistance that will assure the children the time and attention they need to catch up.

Socialization is an important aspect of a young person's life. Before coming to Harvest, most of these kids are unable to take care their most basic needs. The house parents use Proverbs 22: as a guide: "Train up a child in the way he should go....." They model appropriate behavior. Often they take a child aside and explain what he is doing wrong and who him the correct way.

The most important reason for Harvest's existence is to lead boys and girls to Christ. All the children attend church and participate in family devotions. Many of the children accept Christ and are baptized. They join their local church. They are taught to work in the church. Some play instruments or work in the sound room. Others learn to be ushers by taking up the offering or greeting attendees. Harvest's desire is to see these young people grow up to productive members of a church community.

Today, Harvest stands tall among its peers. The home is relied upon by agencies that place children in the Commonwealth of Virginia, by Pastors of Free Will Baptist churches who are helping families in need; and grandparents who do not know where to turn.

In Virginia alone, there were 6,459 substantiated cases of abuse and neglect reported last year, the majority of which came from dysfunctional families. The need is particularly notable in the southwestern counties, which are among the most disadvantaged in the Commonwealth. Lee County is the "poorest" in the state.

HARVEST WANTS TO HELP YOU

Harvest Child Care Ministries' mission has always been to help families in need. We work diligently to provide a safe nurturing home for children whose families find themselves in crisis situations. We also work with the child's family through counseling and education to reunite them as quickly and successfully as possible. In 2016, 37% of the children were returned to the biological families. Our purpose remains the same as it was 24 years ago—to serve children and families in need. With homelessness, a poor economy, and changing trends within the social services system, many families may find themselves unable to get the help they need. If you have children, or know families who need services, we want to help them. Free Will Baptist Family Ministries

has been faithful in serving since 1939, and we exist today only because of the continued prayers and support from friends like you. Your unwavering commitment allows us to continue God's kingdom work. We want to thank each of you for what you do for Family Ministries!

Allow us to share in our news of celebration:

On average, we care for **125 children daily** in our residential programs in **Tennessee and Arkansas**.

In 2016, we celebrated **155 children** first time decisions for Christ, 89 followed Him in baptism, and **6** in rededication.

We continue to raise awareness and funds for the ministry of opening a **Maternity Home**, adjacent to the **Hope Center**, our crisis pregnancy/resource center in Greeneville TN. Future renovations will include 5 apartments, to provide a home for mother and her child.

November 18th, we celebrated with the ribbon cutting and open house for our new **Resource Center** in Elizabethton, TN. At this location, we offer our new "**Hands to Help**" in-home senior care and support, foster care services and counseling. On December 9th, we opened our second resource center in Erwin, TN, providing a satellite office of the Hope Center, called the "**Door of Hope**", and will also offer senior care and support, foster care, and Christian-based counseling. An office in the works at Greenwood, AR, will also include the in-home program, with the goal to provide additional services in the future as needed. We are excited to offer these new areas of ministry to all age groups.

Florence Crittenton Home, in Little Rock, AR, providing care to children since 2004, continues to be a safe haven for those who live there. **Maggie House**, our home in Charleston, AR, continues to operate at near capacity with 30 children since opening its doors in December 2015. The children are primarily made up of sibling groups. What a blessing to see them reunited after being in separate homes across the state of AR. Progress on our brand new campus at Fort Smith, AR, is 40 % complete. The **Curt, Cliff & Opal Young Children's Home** project is moving full steam ahead with 4 new cottages, with a goal to be in operation by July, 2017.

We are currently providing care for approximately 110 senior citizens in our two assisted living facilities, **Governor's Bend**, Erwin, TN & **The Laurels**, Wise VA. The Laurels recently celebrated their 10th year anniversary. We are thankful to be able to offer quality full service living where residents have the independence of living in their own suites with the freedom to do exactly as they like, all while enjoying the safety and services provided by an attentive 24-hour staff.

With our purchase of the **John M. Reed Center**, Limestone, TN, we are progressing nicely with renovations in hopes to be accepting residents by the first of May. The facility will feature a 63 skilled bed/long term nursing home, and 12 assisted living apartments.

We are gearing up for the 2017 season at the **Oaks Retreat Center**. We hosted over 3,065 guests last year. During youth camp, we were witness to 66 individuals receiving salvation, and 44 follow Christ in baptism.

From its humble beginnings as an orphanage 78 years ago, Family Ministries has grown into a multi-faceted and diverse ministry that is making a positive difference in the lives of others. Our ministry now offers a full circle of services, from the protection of unborn babies to providing a safe and secure home for saintly seniors.

We exist to labor with the Body of Christ to fulfill the Great Commission.

The past year has offered challenges and opportunities, and we have faced each one with a steadfastness that portrays an image of God's people working together for His glory.

It has been a relief to not be under the dark cloud of financial uncertainty that hovered over us for more than five years. Though we may not be totally back on track, beyond question, we are better off than we were a year ago. The whole IM family worked diligently to contribute to this trend. However, the IM family could not have made progress without all those within the denomination who have given, sometimes sacrificially, to get us to this point.

20 BY 2020 GOALS AND OBJECTIVES: A BRIEF LOOK AT PROGRESS

1. Increase the number of churches giving to IM by 20%—The goal is to increase the number of churches giving by 20%, or from 1,104 to 1,324 by 2020.

Progress: We have seen an increase of 131 new churches making a contribution to IM in 2016. This translates into 8.4% increase in donor churches.

2. Increase reserves to 20%—As of February 28, 2017, our reserves were at 24.9% of the 2017 budget. In 2016 the reserves rose to over 19% at one point, but were not sustained at that level.

Progress: As of February, projections show reserves staying above the 20% watermark for the remainder of 2017.

3. Increase the number of missionaries (IM and FWB with IM Partner) by 20%—We added two new partners in 2015, and one new partner in 2016 (RCE). We are grateful to God for bringing us together with other like-minded believers to advance His Kingdom.

Progress: Even with several resignations, we have an increase of 22 IM and IM partnership missionaries supported by FWB churches in the States and internationally, equalling a net gain of 30% increase.

4. Increase the number of believers (FWB/Partners) by 20%—The 2015 statistical report shows 25,524 believers (weekly attendance in our overseas churches).

Progress: The new number for 2016 is 27,612 in weekly attendance. This is a 7.5% increase over 2015. (We have not received new figures from France or India yet).

5. Increase the number of churches (FWB) internationally by 20%—Last year (2015) our statistical reports showed 314 overseas churches listed.

Progress: Our statistical reports for 2016 list 346 churches. This is an increase of 10.04 %!

LOOKING UPWARD AND LOOKING OUTWARD

Each year I give the office staff a Bible verse to serve as a focal point of our service to Him through our ministry for Free Will Baptists. Our verse this year is Ephesians 6:7, "Serve wholeheartedly, as if you were serving the Lord, not people." Our major focus should be on Christ. This enables us to better serve others.

In praying about the future of IM, my heart has been stirred to ask God to send IM a new group of missionary pioneers. I am convinced we still need pioneers, because we still have frontiers.

As of October 31, 2011, the world population topped seven billion. Estimates indicate over 7.2 billion people inhabit the earth today. Approximately three billion of those 7.2 billion live in what is categorized as an "unreached people group" (UPG). What a heartbreaking reality! Most missiologists identify a UPG as an ethnolinguistic group with a shared language, history, and customs, with less than 2% who are followers of Christ.

Over 16,500 distinct ethno-linguistic groups exist, with more than 7,000 of them classified as a UPG. Of this number, around 3,000 fall into an even more disturbing classification known as an "unengaged unreached people group" (UUPG).

Billions of people on our planet have no church, no missionary, and no mission agency who has taken the responsibility to tell them about Jesus Christ. But, the real travesty is that less than 3% of the evangelical missionary workforce is focused on these UPGs.

Unfortunately, in the past, IM has been as guilty of this negligence as other evangelical mission organizations. Thankfully, we have taken a straightforward look at this need and are on a corrective course. The vast majority of our missionary field staff works among unreached people.

IM is on the right side of the fence in taking the gospel to unreached peoples. But the daunting question is, "Are we doing all He expects of us in reaching the unreached?"

If we are to carry out His command, we cannot in all good conscience neglect the 7,000+ unreached people groups still needing the gospel. An even greater challenge is the 3,000 groups classified as UUPGs. Should we as a Mission be taking a serious look at one of these groups? Absolutely! Let's pray and ask God's guidance in this selection.

We readily recognize we are not called to do this outreach alone. In a previous report for the National Association I stated, "We are too small to do it all, but big enough to do more." As our mission statement declares, we are committed to "laboring with the Body of Christ to fulfill the Great Commission."

We absolutely must find our place in laboring with the Body of Christ to reach the least-reached peoples on earth. We must be fully engaged in preaching His name where it has not been preached. This is a matter that calls for a lot of prayer, planning, and action if we are to impact the nations with the transformational truths of God's Word.

Any thoughts about strategies must begin by looking upward...to discern His plan. May He be our constant guide, provider, and protector as we plunge headlong into the next steps He has for us.

Clint Morgan,

IM General Director
