

1
Your environment has the power to reshape your mind, your body and your heart.

2
In moments of doubt, remind yourself that there is a higher purpose to everything that happens to you in your life.

3
It is not about having time; it is about making time.

4
Habits change, you change, your routine changes. Your organisation levels need to change at the same levels. De-clutter frequently, revise your storages, re-plan your routine.

5
Clean, display your furniture differently, de-clutter items that no longer serve you. When you start shifting your things, it becomes renewed and promotes well-being.

6
Never get so busy making a living, that you forget to make a life.
Dolly Parton.

7
When you get rid of everything that has no real meaning or significance for you, you feel lighter in body, mind and spirit.
Karen Kingston

7
Think! decluttering open new opportunities in your spaces and in your life.

12
For every minute spent organising, an hour is earned.

14
Life is too complicated not to be orderly. Martha Steward

15
Make a list of what you do every day. Make a list of what makes you happy. Compare the lists. Adjust accordingly.

16
The greatest step toward a productive and healthier lifestyle is to learn to focus.

17
Today ...Remember why you started.

18
Every next level of your life will demand a different version of you.

19
The secret of change is to focus all our energy, not on fighting the old, but on building the new.
Socrates
