

Capabilities Statement

Our Capabilities Statement

Concord Industrial Coatings have been at the forefront of the Australian concrete finishes industry for over 20 years.

Widely renowned as Queensland's experts in sealing, polishing and cleaning, our multi skilled team bring many years of experience and collaboration to any partnership.

As preferred applicators for several popular products, we offer a wide range of solutions for projects across the domestic , commercial and defense industries.

We pride ourselves on our technical knowledge and are relied on by many concreting contractors for curing and remedial works.

CORE *competencies*

Experienced Staff

Our experienced staff have over 100 years of combined experience in the flooring industry.

State Of The Art Equipment

We use state of the art equipment to give us the leading edge and put us cut above the rest.

Safety Is Our Priority

We are committed to safety at all levels of our organisation. From our site specific SWMS to our Comprehensive Work Health and Safety Management System. Our Personal Protective Equipment and hygiene standards are set to an extremely high standard at all times.

Attention To Detail

Our attention to detail improves our workplace productivity, efficiency and performance giving our clients the highest quality for the best possible value.
