Differentiators

Deep Industry Experience

50 years of combined experience supporting program management offices to successfully deliver large-scale IT projects.

Strategic Project Delivery

Our PMP-certified professionals and Scrum-trained staff bring experience across agile, waterfall, and hybrid delivery approaches to provide practical, customizable solutions aligned to mission needs and budget realities.

Client Centered Approach

We believe in partnering with clients to understand business needs and constraints before proposing solutions.

Founders' Experience

Experience & client history reflect work performed at a previous firm.

Keystone Project: Management Office Support for EFAST2

- ERISA Filing Acceptance System 2 (EFAST2) is a major IT investment jointly funded by DOL, IRS and PBGC.
- 10-year, \$160M IT initiative to collect Form 5500 data on \$14T in private pension assets.
- Our Successes: EFAST2 was released as a fully functional system ahead of schedule and on budget with no defects or unplanned system downtime throughout its operations.
