## Differentiators

### Deep Industry Experience

50 years of combined experience supporting program management offices to successfully deliver large-scale IT projects.

### Industry Expertise

Our PMP-certified partners and Scrum-trained staff bring experience across agile, waterfall, and hybrid delivery approaches to provide practical, customizable solutions aligned to mission needs and budget realities.

### Client Centered Approach

We believe in partnering with clients to understand business needs and constraints before proposing solutions.

## Founders' Experience

*Experience & client history reflect work performed at a previous firm.*

- Keystone Project: PMO and IV&V Support for EFAST2
- ERISA Filing Acceptance System 2 (EFAST2) is a major IT investment jointly funded by DOL, IRS and PBGC.
- 10-year, \$160M IT initiative to collect Form 5500 data on \$14T in private pension assets.
- Our Successes: EFAST2 was released as a fully functional system ahead of schedule and on budget with no defects or unplanned system downtime throughout its operations.
