EWM SELECTED FOR STARTUP SHOWCASE AT THE UNITED NATIONS CLIMATE CHANGE CONFERENCE (COP28)

Houston, Texas --- Enviro Water Minerals Company, Inc. (“EWM”) has been selected to participate in the Startup Showcase at the 2023 United Nations Climate Change Conference in Dubai, which will be the 28th Conference of the Parties (COP28).

The companies selected for the showcase were selected based on the “innovation they have demonstrated, their disruptive potential, their scalability and sustainability, as well as their marketing potential, competitive advantage, and positive social impact.” See Energy Review (<https://www.energyreviewmena.com/article/technology-smart-cities/item/1483-cop28-uae-looks-to-tech-start-ups-for-green-innovation>).

“We are beyond excited to have been selected to participate in the Startup Showcase in Dubai. With over 70,000 people expected, this is a fantastic opportunity to showcase our technology and to learn from the best and brightest in the sustainability field.” Sue Snyder, CEO.
