Will you join us in a day of FUNdraising that saves lives?

Your business is part of what makes Butte County a great place to live, and YOU have the power to make an immediate, positive impact on animals in need. Together, we are an essential part of the fabric that makes our community whole. Partnering with Butte Humane Society powers our mission to save the lives of shelter animals and ensures that pets in the greater community have access to food, veterinary care, and vital spay/neuter services.

Your support makes a powerful statement to the community we share: we believe in care, compassion, and building a better future for every animal. Let's save lives and have fun doing it.

Emily Acevedo
