Fire Department Turns 100!

Public Safety Night Out

The 2026 edition of Public Safety Night Out was a huge success. Despite the HOT weather, a great crowd came out to support our public safety officials. The car show was a huge success, with lots of interesting cars, the fire department did a great demonstration of putting out a vehicle fire, and many had a great time riding the mechanical bull.

Fifty backpacks full of school supplies were provided to school children at Public Safety Night out.
