PINEBLUFF BOARD OF COMMISSIONERS:

We are pleased to present for your consideration the FY 2025-2026 Proposed Budget for the Town of Pinebluff. The budget is balanced and identifies all revenues and expenditure estimates in accordance with North Carolina Local Government Budget and Fiscal Control Act.

GENERAL FUND

The proposed budget for the 2025-2026 fiscal year is \$3,142,957.51 up \$74,188.08 from last year's budget of \$3,068,769.43. The primary factor in the increase is the appropriation for additional staffing and related cost as well as, Debt Service, and cost of insurance.

The tax rate will remain at \$0.40 per \$100 of real, personal, and motor vehicle property tax evaluation.

Fire Service district monies will generate approximately \$502,199.00 and can only be used for the purpose of funding firefighting expenses incurred by the fire department. Any unused fire district funds are transferred to the Capital Reserve fund in the following fiscal year after the audit has been completed.

This year's budget appropriates \$33,000.00 from the Powell Bill current year fund balance plus estimated 2025-2026 allocation of approximately \$ 60,216.00. These monies are restricted by North Carolina's General Statutes for the maintenance and paving of streets within the town's corporate limit.

Employees will receive a 3% cost of living increase and a potential 2% merit increase.

This year's budget appropriates \$475,274.64 from the General Fund Balance. The majority of this will be used to fund additional personnel and the equipment needed for these employees. The balance will be used as necessary to cover increases in costs due to escalating fuel prices and other items.

The N. C. Local Government Retirement System increased the retirement rate for 2025-2026 from 13.70% to 14.35% for general employees and from 15.04% to 15.94% for law enforcement officers.

Group medical insurance will remain with Blue Cross Blue Shield of North Carolina, and Life, Dental, and Vision will be added to Blue Cross Blue Shield of North Carolina.

Debt Service will increase for Street Department for a truck and a track loader by \$41,718.84. Police Department will increase the debt service for two (2) trucks by 28,676.00. Fire Department will increase the debt service for a truck and a fire tanker for \$55,643.37.

SPECIAL REVENUE FUNDS

The Cemetery Operations Fund is used to account for all funds received and disbursed for the upkeep of the cemetery grounds and any other cemetery needs. All funds received for the cemetery remain in this fund.

ENTERPRISE FUND (WATER DEPARTMENT)

The proposed budget for the Enterprise Fund is \$571,600.00. In-town and Out-town water rates and tap fees will remain the same as last year for now.

This department does not have full time personnel, but includes salaries that are split with other departments. Forty-five percent (45%) of the wages and fifty percent (50%) of benefits for the Town Clerk are charges to this department, as well as twenty-five percent (25%) of the Street Department personnel used to complete tasks for the water department.

The town renewed the contract with Veolia for the 2025-2026 fiscal year to provide the management and regulatory duties of the water department. The town also renewed the contract with Meter Mark for 2025-2026 to provide meter reading services. McFadden Homes, Inc. will continue to repair water leaks and install meters as needed.

CONCLUSION:

Every effort will be made to enforce the budget as adopted.

We appreciate the consideration of the Pinebluff Mayor and Commissioners in reviewing the budget and providing us with the tools to provide quality services to the citizens of the Town of Pinebluff.

Respectfully,

Rachel Dysart, Finance Officer
