## **BARN DOOR SAMPLES**

Barn doors are not just for barns anymore. These wide sliding doors have become popular interior décor pieces. From cozy bedrooms to rustic home offices and perfect room dividers, barn-style doors are all the rage for homeowners.

**Doors**

Whether you want an attention-grabbing entry, like the yellow mudroom door shown here; a space-saving solution, or an attractive way to divide rooms, there's a sliding barn door appropriate for your Bradshaw custom home.

**Barn Door Track System with Top Mounted Roller**  
Includes all mounting hardware and components except rail connector, soft close, and roller guide  
(Satin or Black finish)

## **FRENCH DOOR SAMPLES**

If you think these are called French doors because they originated in France, you're right. ... The French began incorporating glass into more areas of their architecture because of the Renaissance. This included doors. Over time, these large opening windows simply became known as French doors, and Bradshaw Construction loves to use them in our architecture!
