Stone

Creative Mines Craft Split Modular is a modular stone with clean cut edges, split faces and the occasional pronounced sawtooth texture. Its color palette has cool midtones with subtle shades and slight variation undertones.

Stone

Creative Mines Craft Urban Strip & Chop Ledge are uniformly ledge-shaped, rectangular stone with a split-faced surface. Its color palette is light, cool gray with hints of ash gray and subtle, brighter highlights.

All materials available through Rocky Mountain Supply Website at <http://rockysinc.com>
