### ABOUT GUTTERGLOVE®

It all started back in 1996 when we were in the gutter cleaning business. After cleaning out millions of feet of gutter, we observed that no gutter guard was performing as promised. We realized that a reliable gutter protection solution was needed and incorporated in 2000. We explored new designs, the best materials, and doing what is best for customers to create what is now an extensive patent portfolio of the highest praised gutter guards available. We are proud to offer you gutter guards you can trust. The Nation's Most Trusted Gutter Guards.®
