

**Release of Liability**

Under Texas Law (Ch. 87, Civil Practice and remedies code), a farm animal professional or farm owner or lessee is not liable for an injury to or the death of a participant in farm animal activities, including an employee or independent contractor, resulting from the inherent risks of farm animal activities.

In the event of any injury, I authorize the Released Parties to secure and provide necessary medical treatment, and I understand that I am solely responsible for any costs associated with such medical treatment.

I grant permission to CHA, Curly Country Ranch, or Diane Mitchell to use any photographs taken during the Equine Event for promotional purposes without compensation or further consent.
