

TRANSPORTATION OF A RESCUE CURLY

- Horse must be transported to new home from a rescue situation only.
- A rescue is defined as a horse removed from a situation by law enforcement or rescue group, or a horse personally surrendered to prevent it from being in a life-threatening situation.
- Can be personal transport or professional transport.
- If personal, keep all gas receipts and attach to this form.
- If professional, must provide receipt from the driver.
- Application to be approved by CHA Board.
