Rescheduling a Drawing

Notes:

Drawings can be rescheduled one day at a time. This is useful if the lodge needs to close for a day and they want to reschedule their drawings for the next day.

All information for the drawing being rescheduled will be saved, including members already signed up for that drawing; only the drawing date will increment by one day.

If the drawing is a weekly or monthly then after the rescheduled drawing is run the next drawing will be automatically created using the date and time as if the original drawing had not been rescheduled.

Steps:

1. If administrative permissions are enabled then you will need to login first; click on the LOGIN icon then you will be prompted to scan your card (or swipe):

Note: you must scan or swipe a membership card that has administrative or operator privledges
