Terms of Agreement

- Wisconsin Youth Panthers, its Officers, Directors, Coaches and Personnel assume NO responsibility or liability for any injury to persons or damage to property occurring as a consequence of any activity of the league or any of its members.

-All players, coaches and other participants, participate in league activities at their own risk.

Equipment Responsibility (Football)

-I assume full and complete responsibility for the proper care and maintenance of all equipment loaned by Wisconsin Youth Panthers. All equipment is to be used for Wisconsin Youth Panthers authorized activities only and all equipment remains the property of Wisconsin Youth Panthers. I understand failure to return equipment on the date of request will jeopardize my good standing; this may include putting my player at risk of future involvement with Wisconsin Youth Panthers, along with assuming full financial responsibility of replacement value of equipment. Only Wisconsin Youth Panthers issued equipment is to be used by my player. I understand the rules of equipment and I am responsible for my child's uniform and equipment. I will supply, at my expense, and ensure my child wears a protective cup, a regulated mouth guard and non-metal football cleats.

Helmet/Equipment Warning: Release of Claims (Football)

Football involves substantial inherent risks of serious personal injury, including disability (by serious head or neck) or death. There is no helmet or other equipment that can completely eliminate this risk. -By voluntarily choosing to participate in football, participants voluntarily assume these risks in exchange for the actual or perceived benefits provided by the sporting activity.

- Wisconsin Youth Panthers members carefully review any warning labels included with their helmets and other equipment and are further advised:

1. Do not use the helmet to butt, ram or spear any opposing player.

2.Do not duck or lower the head when attempting to tackle an opposing player-participants should see what they intend to hit. This is a violation of the football rules and such use can result in severe head or neck injuries, paralysis or death to participants and possible injury to opponents.

3.Contact in football may result in a concussion or serious brain injury, which NO helmet can prevent all of the time. Symptoms may include: loss of consciousness or memory, dizziness, headache, nausea or confusion. If participants have ANY of these or other relevant symptoms, they should immediately stop playing and report them to their coach, trainer AND parents.

4. Participants should not return to the game or practice until all symptoms are gone and they have received proper medical clearance.

5. Not- withstanding the availability of cleaning equipment, the wearer of the helmet assumes all risks and responsibility related to proper sanitation and cleaning of the helmet from bacterial and germ related diseases.

6. The helmet and other equipment may not be modified in any manner.

7. Participants and their parent(s)/guardian(s) are responsible for inspecting the player's helmet and other equipment before use for, without limitation, proper padding, cracks, secure chinstraps, rivets, screws or any exposed metal on faceguards and broken welds. If the inspection reveals the need for any repairs or replacement, an authorized coach or league representative should be notified immediately.

8. I understand safety is Wisconsin Youth Panther's top priority and I will discuss with my player the need to cooperate and follow the recommendations of the league, coaches and athletic trainers.

9. Ignoring these warnings and instructions of the league, coaches and trainers may lead to injury, including serious brain or neck injury. Serious injuries can also result accidently, without the intention of taking any of these actions.

10. I hereby, release and hold Wisconsin Youth Panthers and if officers, volunteers, contractors and representatives harmless from and against any and all claims, actions, suits and proceedings of any kind arising from or related to the use of any helmet or equipment provided by Wisconsin Youth Panthers.

Parental Consent, Assumption of Risk and Release of Claims

-I, the parent/guardian of a participant in Wisconsin Youth Panthers programs, assume all risks and hazards relating to or associated with my players' participation in Wisconsin Youth Panthers, including transportation. I hereby give my consent to said players' full participation in Wisconsin Youth Panthers and hereby release and hold Wisconsin Youth Panthers and its officers, volunteer, contractors and representatives harmless from and against any and all claims, actions, suits and proceedings of any kind arising from or related to any injury to said player and/or any injury or condition cause by or aggravated by my refusal to obtain available medical treatment based on religious or philosophical beliefs or otherwise.

-I agree to discuss the contents of this Terms of Agreement as well as all Wisconsin Youth Panthers, and TCYFL rules with my player, other family members and guests for any purpose regarding events hosted by Wisconsin Youth Panthers or TCYFL to make them aware of the requirements herein. I will be responsible for any action of my player, other family members or guests who violate these terms.

-It is me and my players' responsibility to comply with all rules of Wisconsin Youth Panthers & TCYFL.
