

WISCONSIN YOUTH PANTHERS

On behalf of Wisconsin Youth Panthers, we would like to extend an invitation to you and your company to become a sponsor of our youth football program. Wisconsin Youth Panthers is a 501(c)(3) non-profit organization affiliated with the The Chicago Youth Football League (TCYFL).

Mission

We are the Wisconsin Youth Panthers of Racine, a non-profit organization dedicated to impacting the lives of local boys and girls through youth sports. This past year we fielded teams from 1st to 8th grade that competed through a local tackle football league. We also provide strength training and track and field programs to the youth of our area. Our volunteer coaches work hard to build discipline in these children and help them learn how essential teamwork is. Our kids will develop competitiveness & build lasting friendships. Last year we provided a safe and nurturing environment outside of school for over 200 local children.

Vision

Provide young athletes the experiences of sportsmanship, integrity, and teamwork in a safe environment. Critical to the accomplishment of Wisconsin Youth Panthers mission and vision are the relationships we form with our business partners. These partnerships allow Wisconsin Youth Panthers to provide player safety, high quality gear and equipment, fields, and USA Football® certification fees and technology.
