

Day 8 Recap Challenge

This crossword challenge is designed to test your knowledge based on what we covered in the previous class. Let's see how much you remember 😊.

<https://drawingdatawithkids.com>

Across

- 2. A pattern showing how data changes over time
- 5. Something that can change, like time or temperature
- 6. Type of Analytics which answers why it may have happened
- 9. A number used to measure something important
- 10. Great for showing how something changes over time
- 11. The "aha!" moment after looking at data

Down

- 1. Type of Analytics where you suggest what to do — like setting an alarm earlier for tomorrow
- 3. Used to compare groups like different prayers
- 4. Type of Analytics which shows might happen next
- 7. A picture that helps you understand what's happening in data
- 8. Type of Analytics which shows what happened with data
