## KEEP IT REAL, YOU HAVE A CHOICE

Eco friendly options.

Once we become aware of our options we can start to practice conservation. We offer two wood options and beautiful recycled glass tiles.

Rapidly renewable bamboo is an obvious eco-friendly choice. Beetle pine is an eco-friendly option created by mountain pine beetles infesting pine trees. Natural discoloration widely varies making each piece of wood a unique piece of art.

ECO-CONSCIOUS DESK

Our eco-friendly beetle pine or rapidly renewable bamboo with a laser engraved message makes the perfect recognition piece to celebrate sparkling success with a minimal carbon footprint.
